Caesar Rodney School District Monthly Financial Report Supplement – June 2020 COVID-19 Budget Implications

- Most revenues and expenditures are largely continuing as originally budgeted at the present time. While it is difficult to make specific projections regarding the financial impact of the pandemic at this point, the primary areas subject to change are highlighted below.
- Revenues
 - Expected to remain largely stable for the current fiscal year, with the exception of lost meal reimbursements for the **Child Nutrition Program**.
 - **Future year** revenues are highly uncertain as Federal, State, and Local revenues are all likely to be significantly impacted by the pandemic.
- Expenditures
 - **Salaries and Benefits** – These are largely unchanged as full-time and permanent part-time staff continue with modified duties and uninterrupted pay. There was a reduction in spring athletic EPERs (\$69,232 savings) and the elimination of substitute costs during the closure (\$244,534 savings compared to prior year costs).
 - **Utilities** – Reductions in electricity, water and sewer costs are expected to be marginal as buildings continue to be open and functioning. However, timing of payments each month, and from year to year, make it difficult to estimate any savings at this time.
 - **Safety Protocols** – New and ongoing initiatives to enhance safety protocols such as purchasing additional disinfectant supplies and personal protective equipment will have a modest impact on the budget.
 - **Remote Learning and Telecommuting** – Additional costs generated to ensure equipment and internet access is available for all students:

Description	Cost
Devices – Replacement cost for 1,527 Chromebooks that were de-provisioned and distributed to students for remote learning.	\$ 279,853.29
Chromebook Repair Costs	14,852.71
Connectivity – Costs associated with providing connectivity to all students, including parking lot hotspots at the schools and cell phone hotspots (currently 41 x \$69.99 per month; cost includes three months of connectivity for April, May, and June).	28,038.40
Portable Printers for Administration and District Office Staff to telecommute.	1,629.00
Security features for content filtering and Health Insurance Portability and Accountability Act (HIPAA) compliant virtual meetings, when needed.	42,100.00
Additional Costs Incurred to Enable Remote Learning and Telecommuting	\$ 324,373.40
