Dear Shelter Rock Parents/Guardians:

Welcome to the 2022-2023 school year! We understand that students are at various levels of adjustment as we enter this year and would like to highlight the ***Shelter Rock Wellness Team*** which is comprised of a variety of mental health professionals who are available at any time. Please allow us to introduce them as follows:

School Counselor:	<i>Jenny Chen</i>	516-267-7669	<i>jenny_chen@manhassetschools.org</i>
School Social Worker:	<i>Lori Pietrafesa</i>	516-267-7475	<i>lori_pietrafesa@manhassetschools.org</i>
School Psychologists:	<i>Anne Soldano</i>	516-267-7459	<i>anne_soldano@manhassetschools.org</i>
	<i>Dr. Gregory DiGiacomo</i>	516-267-7469	<i>gregory_digiaco@manhassetschools.org</i>

We welcome Mrs. Pietrafesa as the new Shelter Rock Social Worker who has been a school social worker in the District for many years. Mrs. Barbieri-Smith remains in district and will spend ample time with Ms. Pietrafesa who remains in district, to ensure a smooth transition to the students and Shelter Rock as a whole.

We invite you to reach out to any member of the Shelter Rock School Wellness Team. Wishing you and your family a most successful year.

Warm regards,
