What is Title I?

Rosemont Elementary is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to challenging state academic standards to reinforce and enhance efforts in improving teaching and learning for students.

Title I programs must be based on effective means of improving student achievement and include strategies to support parent and family engagement.

Title I schools
must jointly
develop a written
Parent and Family
Engagement
Policy.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Rosemont Elementary School (RES) will provide opportunities to improve parent and family engagement to support student learning. RES values the contributions and involvement of families to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that RES will support parent and family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

RES invites all families to attend our annual School Improvement Forum to review and revise this parent & family engagement policy, the school improvement policy, and the parental involvement budget. In addition to the annual School Improvement Forum, parent input and comments regarding this plan are welcome during the school year through a form available in the Parent Resource Center. The plan is posted on our school website for families to view and submit feedback throughout the year. All feedback received during the year will be used to revise the plan for the next school year.

Who is it for?

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. RES will provide full opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.

Where is it available?

At the beginning of the year, the plan is included in the student handbook. A hard copy is available upon request and is also posted on the school website. Copies of the plan will be available at our Annual Title I Parent Meeting at the beginning of the year. The plan is housed in the Parent Resource Room as well.

2023-2024 District Goals

1. Focus on student success and well being.
2. Ensure equitable opportunities for all.
3. Focus on recruiting, inducting and retaining quality staff.
4. Cultivate the capacity of the school system to function as a flexible and adaptable organization.
5. Lead in the cultivation of relationships and strategic partnerships between the school system and parents and among agencies and organizations which provide services to children.

District Values

School-Parent Compacts

As part of this plan, RES and our families will develop school-parent compacts by grade level. These are agreements that parents, teachers, and students will develop that explain how all parties will work together to make sure all our students reach grade-level standards and goals. The compacts will be reviewed and updated annually based on feedback from parents, students and teachers during the beginning of each school year.

Parents will receive a copy of the compact to keep at home. Compacts will also be reviewed with parents during the school year.

Let's Get Together!

Rosemont Elementary School will host the following events to build the capacity for strong parent and family engagement to support a partnership among the school, parents, and the community to improve student academic achievement. Many meetings for parents will be offered at 2 different times to accommodate parents. We may also be able to offer childcare during meetings if needed. Please call the office about this service.

Parent & Family Engagement

RES believes that parent & family engagement means the participation of parents in regular two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- That parents & families play an integral role in assisting their child's learning.
- That parents & families are encouraged to be actively involved in their child's education at school.
- That parents & families are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.
- The carrying out of other activities as described in this plan.

RES is committed to helping our parents attend the parental activities listed in this plan. Please call or email us if you miss a meeting and would like a copy of the minutes.
