Student Academic Achievement Presentation

Kimberly Starr, Ed.D.
Director of Elementary Education

Goals

- Students will master grade-level reading targets by the beginning of third grade. For their remaining school career, they will achieve reading targets at/or above grade level.
- Students will perform at/or above grade level in math.
- Schools and administrative buildings will be safe, welcoming environments where authentic, productive relationships are valued.
- Our system guarantees relevant classes for every secondary student and maximizes student choice.

Purpose of state assessments

K-2

- Checking development and progress throughout the year on foundational skills
- Screener that may signal further diagnostic testing
- Sept, Jan, April

Istation

3-8

- Student growth at the aggregate level and achievement towards **grade-level** expectations
- Classroom/School/District system check

9-12

- Student growth at the aggregate level and achievement towards **course** expectations
- Classroom/School/District system check
- Early indication for college and career readiness
