

Chaska Middle School West

Points of Pride (2023-2024)

2023-24 accomplishments we are proud to celebrate, because of the impact on learning and teaching for each and every learner.

- CMSW students learn at their own pace — it's part of personalized learning. 94% of West students report either strongly agreeing or agreeing with the following statement: "I see myself as responsible for my learning."
- 95.51% of responding families strongly agree/agree with the statement "My child's education helps them grow as a person, not just academically, and prepares them for whatever path they choose after high school."
- 93% of 8th grade Spanish Immersion students scored at the intermediate/advanced levels on the 23-24 STAMP test which measured students' Spanish reading, writing, speaking and listening skills.
