Robert Buono: Class of 1974

"Sports ideally teach discipline and commitment. They challenge you and build character for everything you do in life." Howie Long

No words spoke truer than when reflecting on the life and career of Bob Buono. Bob was a stellar athlete during his time at Suffern High School, lettering in basketball and baseball. After graduation, Bob returned to his alma mater to become a teacher, coach, and Athletic Director.

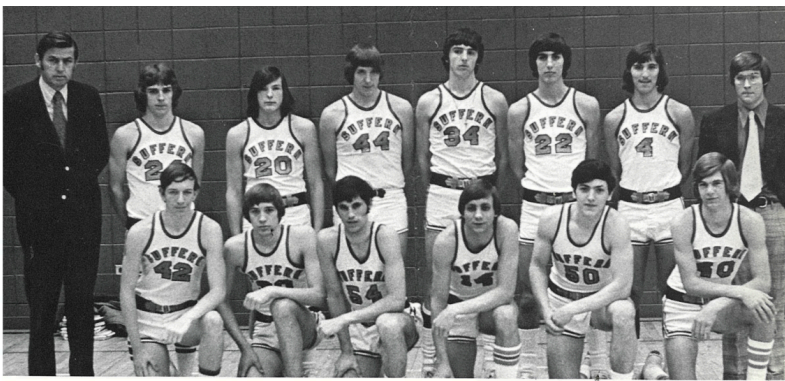

As a player, Bob was a force on the hardwood. As a two year varsity player, Bob was an integral part of an historic season, as the Mounties won the Sectional Championship. This is a feat that has yet to be accomplished again by a Suffern basketball team! In his senior year Bob helped lead the team to an impressive 12-7 season record. The season highlight was a resounding upset over previously undefeated Spring Valley by a score of 64-58. That year Bob earned All-County Honorable Mention accolades. In addition to basketball, Bob also excelled on the diamond as a valuable member of the stellar Mounties baseball team.

When asked about coaching, legendary football coach Don Shula stated, "I think what coaching is all about, is taking players and analyzing their ability, then putting them in a position where they can excel within the framework of the team winning." This certainly came to fruition when talking about the illustrious career of Bob Buono. Bob was a Physical Education teacher and Athletic Director at Suffern High School for over 30 years until his retirement in 2011. During that time, Bob coached soccer, football, basketball and baseball. The list of awards, championships, and accolades accomplished by Coach Buono is prolific. In basketball, Bob coached the first two Suffern teams to get to the County Center for the section finals.

Suffern is truly indebted to Bob Buono during his time as Athletic Director. His goal was to create opportunities for all students to find their niche in sports. This included adding multiple new programs including Boys Volleyball, Girls Bowling, and Crew. In addition, under Bob's leadership Freshman and Modified programs flourished. With over 100 teams in the district Bob was the leader of a community group that was instrumental in getting the bond issue passed that resulted in the upgrade of EVERY athletic facility in the district, including the original turf field and lights at the Middle School.

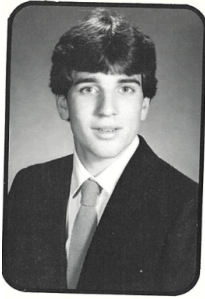

Beyond the hallowed halls of Suffern High School, Bob has left an enduring legacy in Rockland County Athletics. Bob was President of both the Rockland County Athletic Directors and Section One Conference One. Bob also serves as a member of the Rockland County Athlete of the Season Committee and The Rockland County Basketball Officials Association. Last but not least, Bob is a founder of the Suffern Sports Hall of Fame, the reason we are all here tonight.

"Success is no accident. It is hard work, perseverance, learning, studying, sacrifice and most of all, love of what you are doing or learning to do."-Pele

Jimmy loved sports and his success was no accident. Jimmy was often the first one at practice and the last one to leave. He put in the work and it showed. As a four year varsity basketball player, Jimmy was a versatile player. He could handle the ball, take a key shot, and play strong defense.

In addition to his four year varsity run on the hardwood, Jimmy shone on the diamond as a varsity starter since his Freshman year. In his Senior year, Jimmy served as team captain. As a result of his efforts, he was named Rockland County Player of the Year in 2008 and 2009.

Shelby Greany: Class of 2009

“Courage, sacrifice, determination, commitment, toughness, heart, talent, guts. That’s what little girls are made of; the heck with sugar and spice.” – Bethany Hamilton

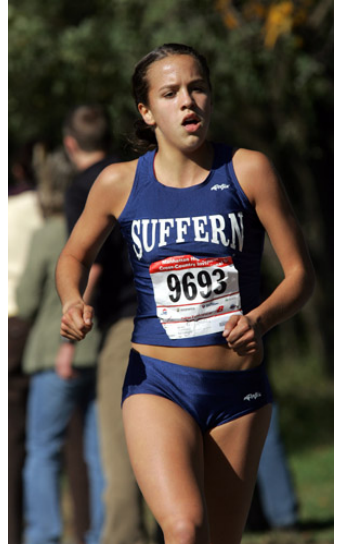

No doubt Bethany Hamilton was talking about Shelby Greany. From the moment Shelby started running, very few could catch her. She was a six year varsity Cross Country runner, who participated in six straight state championships. She was a five time county and section champion as well. Her accomplishments in Cross Country culminated in four trips to the Footlocker National Championship, finishing 7th her senior year. Shelby was perennially the top distance runner in the county/section during her time at SHS.

1972-1973 Boys Lacrosse Teams

“From nobody to upstart. From upstart to contender, From contender to winner. From winner to champion. From champion to Dynasty”.--Pat Riley

Pat Riley’s words certainly describe the Suffern Lacrosse teams from 1971-1973. Under the tutelage of head coach John Orlando, the Mounties achieved unprecedented success amassing an impressive 23-5 record over those two seasons. The Mounties were certainly a dominant team for any opponent during the time of 1971-1973, as they were back to back Section champions. During this stretch, the team outscored opponents by an average of 7.2 goals per game.

This success was due in part to many outstanding individual performances. The Suffern lacrosse teams had multiple players garner All-League and All-County honors, and in 1973 Kris Snider was Rockland County Player of the Year.

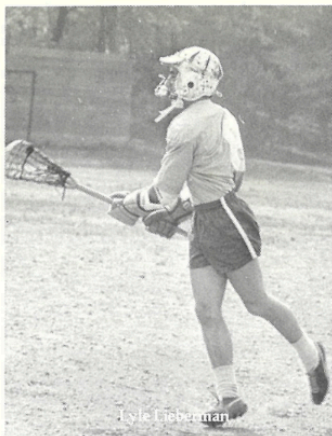

Kudos to Eric Snider who became the first player selected to the High School All-American Team in 1972.

The tradition of Mountie Lacrosse is rich and storied. The teams of 1972-1973 began a tale that has continued to today. We honor all those who took the field then, and encourage those who follow in their footsteps.
