

I-BEAM Reading Program

Permission Form

What is I-BEAM?

I-BEAM is a supplemental reading program offered to scholars in grades 1st through 5th. Scholars who participate in the program are partnered up with a volunteer for one-on-one, weekly, reading sessions. I-BEAM reading sessions take place once a week during one of the scholar's special area classes (Physical Education, Art, Music, Library, or Computers).

I-BEAM provides scholars with a special, designated, time each week where they have the opportunity to dive into a great book, and explore the text with an experienced reader.

What is required to participate in I-BEAM?

Scholars must have the permission of a parent or guardian in order to participate in I-BEAM. Please fill out a registration form below if you'd like your child to participate in I-BEAM. If you have more questions before you sign up, feel free to contact Mrs. Marlowe, Teacher Librarian at St. James-Santee, at Casey_Marlowe@charleston.k12.sc.us.

I give permission for my child to participate in the I-BEAM Program at St. James-Santee.

Parent/Guardian Signature: _____ Date: _____

Scholar's Name: _____

Scholar's Teacher: _____
