Celebrating Goodwin's Performance

W B Goodwin was recognized by the district for our growth in the school's State Report Card. We received a certificate of achievement for both outstanding rating level and rating points. This could not have occurred without our terrific teachers and staff, our administration, and families. If we work together, there is nothing we cannot achieve.

2022 Teacher of the Year

Anna Grillo is a 3rd Grade Reading teacher. We are lucky to have her! Students in her class love her. She brings excitement and enthusiasm to the classroom. Congratulations!

We Love our Volunteers!

Words cannot describe how much we appreciate our families and community partners for all you do!

Art Contest Participants

We had several students participate in the W B Goodwin Art Contest! Students drew pictures of what they would like to see on a t shirt. Congratulations to Vanessa Gonzalez Ramos for the winning piece of art!

Positive Behavioral Interventions and Support

Students were rewarded monthly for good behavior. Activities included games, food, and plenty of fun!

Congratulations to our Battle of the Books Team

Ten students on two different teams competed to take part in the CCSD district's Battle of the Books competition. Our 5th grade team represented our school and did very well! We are proud to be the only elementary school from North Charleston to compete! Congratulations to Kelis, Anni, Laila, Lilli, Zy'rek, and Alex!

Deninujay West African Dance Company

The Deninufay West African Drum and Dance Company performed for our students! The program is sponsored by the N. Charleston Cultural Arts Department and is part of an effort to bring free arts enrichment programs to Charleston County School District (CCSD) schools in North Charleston. We all loved it!

School Production of *If you Give a Mouse a Cookie*

Our new music teacher, Ms. Lambert, put on a play for our students and it was awesome! Stay tuned for **101 Dalmatians** coming in May! She loves what she does, and we love her for it.

Ann Caldwell

Ann Caldwell entertained our scholars with music and storytelling! The students loved the stories and sang along with her music.

SC Ready Perfect Score

She did it again!!!! Please help me in recognizing our student, Vanessa Gonzales Ramos, for making a perfect score on SC Ready Math 2022 for the **SECOND** year in a row!! Amazing student! Amazing accomplishment!!

School Wide Read

Who Is Duke Ellington? by M.D. Payne

Our families took home our school-wide book along with a list of comprehension questions to read as a family each night. Our families read a chapter a night from the book and students answered the comprehension questions the next day during our morning news show. Three winners with the correct answer were chosen for a sweet treat each day! Thank you to all the families that participated!
