

## Summer Grocery Benefit for Kids

**SUN Bucks** is a new grocery benefit available across most of the U.S. Families with eligible school-aged children can get \$120 per child to buy groceries during the summer.

### How to Get SUN Bucks

If you're already enrolled in benefits like SNAP, TANF, or FDPIR, your school-age children will automatically be enrolled in SUN Bucks if it's available where you live. Also, if your child attends a school that offers the National School Lunch Program or School Breakfast Program (NSLP/SBP), and your household income meets the requirements for free or reduced-price school meals, your child may automatically be enrolled in SUN Bucks.

If you are NOT automatically enrolled, you can apply for SUN Bucks directly on the department of human services webpage, linked below.
