~~~~~

*The Board of Education and myself are pleased that were able to adopt a budget early that preserves our current level of programs. While we look forward to the day we can start adding back we are now faced with getting this budget passed. We are just under the Governor's tax cap formula at 2.56 %. Getting parents and the community to support this is the task that lies before all of us! Please contact my office with any questions you may have. I will see all of you in the next few weeks at one of your faculty meetings.*

*Thank you for all the hard work you do every day to make North Tonawanda the best it can be.*
