

Garnishment and Personal Credit Problems

When so ordered by superior courts, the U.S. Secretary of Education or the Secretary's guaranty agency (in the case of defaulted student loans), the district will comply with the directives of a Writ of Garnishment filed against a staff member of the districts. Each garnishment or action for collection of debts will be reviewed by the superintendent and such information will become a part of the record of the staff member. Attempts will be made to counsel or provide a referral for any such staff member with regard to the staff member's financial problems. The districts will not discharge a staff member for the reason that a creditor of the staff member has subjected or attempted to subject unpaid earnings of the employee to a writ of wage garnishment directed to the district. This provision will not apply if the garnishments on three or more separate indebtednesses are served upon the districts within any period of twelve (12) consecutive months by superior and district courts.
