First Student Bus Service 695-7898 (big buses A-W)

Laidlaw Transit, Inc 694-7281 (out of district sp ed.)

TRANSPORTATION INFORMATION & BUS SCHEDULES 2008 – 2009

A MESSAGE FROM THE TRANSPORTATION DEPARTMENT OF THE NORTH TONAWANDA CITY SCHOOL DISTRICT

As summer comes to a rapid close, the transportation department has been hard at work to make sure that the start of school is safe, smooth and efficient. The buses have been routed, fine-tuned and are listed here for your convenience. **Please note that there may be changes to the routes prior to the start of school.**

To help ensure a smooth start up, please review the items listed below:

1. Please have your child **OUTSIDE** at their stop at least 10 minutes prior to their pick up time. For the most part, times will be similar to last year.
2. Only students riding **small buses (van)**, **attending day care**, **special class students**, and **all kindergarten students** will receive notification via a postcard regarding their bus stops and times.

The following pages are the routes & stops for the BIG BUSES ONLY!!

Please note that FIRST STUDENT bus service does all the BIG BUS ROUTES (Buses A – W 695-7898).

3. Transportation is not door-to-door service. Corner pick up locations have been established based upon safety and efficiency.
4. Not all students get a bus to school. Simply because a bus stop is located near your house, this does not necessarily mean that your child is eligible to ride that bus.

Transportation policy established by the Board of Education states that transportation will be provided for the following students:

Grades K-2	beyond ¾ of a mile from school
Grades 3-6	beyond 1 mile from school
Grades 7-8	beyond 1-1/2 miles from school
Grades 9-12	beyond 2-1/2 miles from school

5. If you are new to the district, or you moved over the summer, you must contact Transportation immediately with updated information.
6. If your child is attending a daycare or babysitter, a form must be filled out YEARLY BY JULY 1st

These forms can be filled out at the Transportation Dept. (note: must meet requirements)

Pick ups and drop offs will be adjusted over the first few days as the drivers get settled in their runs. Please be patient and allow the runs to stabilize prior to calling.

THANK YOU AND WELCOME BACK TO SCHOOL!!

Register Now for B.A.S.E. Before and After School Enrichment Program

Parents/Guardians wishing to enroll their child(ren) in the B.A.S.E. Program will need to complete an application for each child. Applications are available at the elementary schools as well as the B.A.S.E. Office and the lobby of the Administration Building. Five (5) to ten (10) business days are required to process applications after receipt at the B.A.S.E. Office so the program can be staffed properly according to New York State Regulations.

Parents/Guardians will be notified of the date services will be available. Completed applications can be given to B.A.S.E. personnel at the site(s) where your child(ren) will attend OR can be dropped off at or mailed to the B.A.S.E. Office, located in the N.T. High School, 405 Meadow Drive. Incomplete applications will not be processed.

Please call the B.A.S.E. Office at 807-3754 if you have any questions or concerns.

SERVICE LEARNING

At NTHS, we believe it is important for students to become contributing members of the community. With this in mind, it is a graduation requirement that all students complete 30 hours of participatory service. *A minimum of 7.5 of these hours must be completed during the senior year and come from the pre-approved/senior agency list.* Students have the option to complete the other 22.5 hours before their senior year at any other pre-approved, *non-profit* agency or event. Students that do not take advantage of this option must complete the balance of their hours from the approved list. Students may complete all 30 hours from the approved list if they so desire. Available on the website at www.ntcityschools.wnyric.org.

Students are required to accumulate a total of 15 hours of approved service-learning activities prior to the conclusion of their sophomore year. The total of 30 hours required by policy for graduation are to be pro-rated, such that our building practice is to expect students to complete a minimum of 7.5 hours during each of their first 3 years, in preparation to the 7.5 hours that must be completed during their senior year at NTHS.

Each time a student completes a service-learning activity, the hours are to be recorded on a pre-printed form. Students in all grades are required to submit their service hours on either a *Service-Learning Activity* form, or a *Service-Learning Pre-Approval* form. Both forms consist of three parts to be filled out—student, parent/guardian, and non-profit agency/sponsor. The difference between the two forms can be found on the FAQ page. Upon completion of the *last* service-learning activity each year, students are required to write an overall reflection based on all of their service activities completed throughout the year. This student reflection is explained on both of the forms mentioned above. It is important to note that *students may not participate in a service-learning event without a parent/guardian signature.* It is also highly recommended that students retain a copy for their own records.

Class of	Requirement for Graduation
2009	7.5 hours
2010	15 hours
2011	22.5 hours
2012	30 hours
