

Lincoln Academy

Principal's Report to the Board

May 2021

The mission of Lincoln Academy is to help all students attain their highest social and academic potential through an academically rigorous, content-rich educational program in a safe, orderly, and caring environment.

COVID Response Update

- Jefferson County Public Health issued a new order that went into effect on April 16-May 15th operating in level blue. May 16-August 15 operating in the level clear.
- School district cases of COVID - November 671, April 666
- Schools must continue until the end of the year with maintaining mitigation measures (cohorting, mask wearing, washing hands etc.)
- We still are asking families to fill out a [google form](#) to keep us informed if a student or someone in their household is being tested for COVID because of symptoms. This form is an internal form and the information is only shared with relevant school personnel.
 - One 2nd grade classroom just came back from a quarantine on Friday, May 7th after a student tested positive for COVID.

CMAS

Colorado applied and was granted a waiver from the federal government regarding state standardized testing. This waiver allowed students to only take a portion of the tests. Students in grades 3, 5, 7 took English Language Arts. Students in grades 4, 6, 8 took only the math portion of the test. Additionally, 8th graders took the science test. CMAS testing was complete by the beginning of May.

Grade Level	Number of Students Opting Out of All CMAS Testing	Number of Students Opting in for Optional CMAS Testing
3	16	3
4	12	4
5	26	7
6	27	3
7	41	1
8	22	1
TOTAL	144	19

The total number of eligible students who can take CMAS = 484. The total number of students taking CMAS = 340. The number of opt-outs puts the school at a 70% participation rate. In a traditional year, schools must

meet a 95% participation rate. In 2018-2019, we only had 7 students opt-out. Since my April board report there was an increase of 49 students that opted out of state testing and an additional 2 students that opted in to all testing.
