

Lincoln Academy

Principal's Report to the Board

March 2021

The mission of Lincoln Academy is to help all students attain their highest social and academic potential through an academically rigorous, content-rich educational program in a safe, orderly, and caring environment.

COVID Response Update

- 22 distance learners will return to in-person for the 3rd trimester.
 - 76 or 11% of our students still remain, distance learners.
 - With this information, the class sizes will remain at 25 students or under with the majority of our classes still being 20 students or less.
- We will be sending out a form to our remaining distance learners this week to tell us about their preference for the 2021-2022 school year. Would they prefer to remain distant learners or return to in-person learners?
- Vaccination: All employees that desire to have the vaccine have been offered an appointment for the first shot. A large majority of those that have received the first shot will have their second this week.
 - Employees are **not required** to receive the vaccine.
- We still are asking families to fill out a [google form](#) to keep us informed if a student or someone in their household is being tested for COVID because of symptoms. This form is an internal form and the information is only shared with relevant school personnel.
 - As of March 6th, we do not have any cohorts on quarantine.

Outdoor Lab

Students in grade 6 will attend a modified version of Outdoor Lab the week of March 15th. Students will be divided into four groups. Group A and B will attend Monday and Tuesday, Group C and D will attend Wednesday and Thursday. The experience is day trips only and there is no overnight stay for students. Once at ID-RA-HA-JE, students will be grouped according to their in-school cohort. We are hoping for good weather as students will be outside all day even for lunch and dinner.

CMAS

Students in the state of Colorado will be taking the Math, English Language Arts, and Science (grades 5 & 8 only) state standardized test known as CMAS this spring. The date of testing has been pushed back with the majority of the testing happening in April. Staff will be trained before spring break.

Projected Student Enrollment for 2021-2022

Grade	Number Currently Enrolled 2020-21	Projected Class Size for 2021-22	Number Currently Enrolled for 2021-22	Total Number of Open Enrollment Applications Received through 3-2-2021
K	78	88	87	166
1	84	88	86	27
2	80	84	83	23
3	80	84	84	14
4	83	84	84	13
5	81	84	81	14
6	84	84	81	33
7	79	84	82	19
8	77	75	78	9
Totals	726	755	746	321

- Our waitlist numbers increased by 14 applicants since my report in February
- Currently, we have 12 openings that have offers pending.

Students that have left Lincoln after 10-1-2020
