

Facilities Report – December 2019

Nathan Alley, Board Member; Lori Woods, Lincoln Operations Director

- The facilities committee will meet for an informational presentation on January 24, 2020 at 8am.
- The City of Arvada hosted a neighborhood and community open house meeting at Lincoln Academy, in the Student Center on November 21. This meeting was in regard to the West 72nd avenue road widening project. We noted that there was significant community interest in this project, and it appears to have brought the city's attention to Lincoln's traffic issues at drop-off and pick-up. We hope to be able to engage with the city on the issues that came out of this meeting.
- Lincoln Academy will be pursuing bids by January 21, in earnest, for phase 1 and phase 2 projects in order to meet our project deadlines.
 - See attached "Funding Proposal" document for details on funding and project needs.
- **Per "Funding Proposal" document, the Facilities Committee recommends to the Board that Lincoln Academy appropriates up to \$522,089 of cash reserves for the completion of Option 1 list of projects. We would like to vote on this matter on January 13.**

Facilities Committee Members: Nathan Alley, Lori Woods, Jeanne Coyle, Larry Niemiec, Janelle Johnson, Jim Fries, Mark Miller, Jason Wennon, Micah Gilbreath, Doug Neely.
