Rational: The District solicited bids from all approved contractors to repair and replace asphalt at (11) total sites. Replacement and repair will improve the safety of students and staff's foot traffic and athletic activities, in addition to creating an efficient surface for water runoff and weed control.

Budgetary Impact: The estimated cost, not to exceed \$1,050,555.00, will be paid from Bond Fund.

Recommendation It is recommended the Board of Education approve the bid award for fencing project.
