

School Accountability Committee Report – May 13, 2019

Parent Survey

Results were provided to Board last month.

Individual reports were provided to admin for staff.

Parent Survey Report to be shared with families via the Loop is awaiting approval from admin.

Alumni Survey

Results are posted in the Board Committee Reports for the May meeting.

Responses came in from students attending Arvada West High School and Wheat Ridge High School.

Although we only had 13 responses, we are pleased to have gotten this new procedure started.

Results indicate some concern over preparedness in Math, with one student taking remedial classes in Math.

SAC Diversity and Inclusion sub-committee

Ramadan will coincide with the school year for the next 10 years. We may need to offer some support for teachers if they have students fasting or needing extra time for homework due to prayer in the evening.

SAC would encourage the Board to consider the addition of the word “all” to the mission statement to read:

The Mission of Lincoln Academy is to help *all* students attain their highest social and academic potential through an academically rigorous, content - rich educational program in a safe, orderly, and caring environment.

Upcoming Meetings

The Diversity and Inclusion Subcommittee will meet on the third Tuesday of each month starting in July, but excluding August.
