

Lincoln Academy Charter School Accountability Committee (SAC)
Board Report – December 9, 2018

1. Meeting was held November 26, 2018.
2. Members in Attendance:
Elizabeth Meyer Chapman, Becky Furst, Karen Dwyer, Kristi Geisz, Kara Bohannon, Gary Wiebel, Andrew Weir, Sarah Wasinger. Absent: Ashleigh Betz
3. The committee reviewed two working drafts of the School Dashboard and made recommendations of content to leave out which can be easily found online from other sources. Extensive time was spent reviewing Schoolview from CDE. It is a very powerful tool which provides a lot of data though it takes a bit of time to learn how to use the options for comparing scores. We were able to look at IEP, minority and Gifted student scores compared to state data. We are serving DSS students very well. Our Gifted students are not as strong as their statewide cohort.
To look at these comparisons, please see
<http://www2.cde.state.co.us/schoolview/dish/schooldashboard.asp>
You must search for Lincoln which is school 5145. You can look at disaggregated scores under Achievement and Growth as compared to state mean scores/ growth
4. The committee reviewed the Parent Survey and made recommendations to enhance consistency between elementary and middle school teacher feedback. The committee has the link to do a final review after which it will be ready to go live in February.
5. Mr. Weir reported regarding the Diversity and Inclusion subcommittee. The committee gave some suggestions for editing the purpose statement. The subcommittee met again on Dec 4 and pooled some resources for a fifth grade civil rights discussion, suggested adding Hanukkah decorations in the lobby with our Christmas tree and made some observations/suggestions related to families of limited means being able to attend school community events.
