

School Accountability Committee Report - November 12, 2018

Dashboard

Work is progressing with the Dashboard. Mr. Fries was consulted about how to link to the CDE Lincoln Academy dashboard which holds a large amount of the demographic and achievement data we would like to share. The committee will look at the large amount of data to determine which we would like to include. It will need to be converted to pdfs for us to share it directly.

The board is encouraged to use this very powerful tool to look at data:

<http://www2.cde.state.co.us/schoolview/dish/schooldashboard.asp>

Under “SCHOOL” dropdown, enter 5145 to pull up Lincoln Academy

Parent Survey

Will continue to include Middle School with some recommended changes from MS staff.

Alumni Survey

Will work with development committee
