

Facilities Committee Report

Executive Summary

Fire Alarm Design: Last year, the fire alarm system in Building B was replaced. Over the summer, the main head unit in Building A was also replaced. After a lengthy RFP process, we have chosen a Fire Protection Engineer to help us with the additional upgrade required to Building A's fire alarm system. The facilities team has chosen Tami Holley to complete this process. Ms. Holley has many years' experience in the field and has worked with many schools and the Arvada Fire Department before. She will bring expertise to the project that we need, providing coordination with all parties involved. Tami will provide a new design for Building A that will meet all requirements required by law. She will provide design documents, construction documents and she will help us thru the process of choosing and managing installers. Tami's contract allows her to be at the school during testing of the system and she will follow thru close out of the project. This process will allow Lincoln to be in current fire code compliance in Building A which the Arvada Fire Department has requested to be complete by August, 2022. The completion of the design in the immediate timeframe allows us to have a better understanding of the cost of installation to do so.

Facilities Opportunity List: Twice in the last month, the facilities team has met to discuss the school's facilities opportunity list. As a team we have begun combing thru each item on the list to decide what has been completed and what priorities have changed. It is an everchanging list but it is a great place to keep track of what items need work and what priority they have. We also had a meeting with Vanir this month to begin the process of pricing out the work that isn't internal to have strong estimates for budgeting purposes. If the district goes to vote on a bond, we would like to have our facilities needs priced out for that process. Thank you to the committee and to Vanir for your continued hard work on this process.

Next Meeting TBD

Current Members: Jeanne Coyle, Larry Niemiec, Janelle Johnson, Mark Miller, Larry McGurer & Lori Woods. Any questions, contact LoriWoods@lincolnacadey.net
