Open Enrollment

The Jefferson County School District open enrollment process began on Monday, January 8th and continued through January 31st..

During this time, applications are given priority based on staff, sibling, in-district, and out-of-district students in that order. In each of the categories, a lottery number is given to each applicant.

Our full day kindergarten classes are already full for next year. Phone calls have started to be made to the general public for kindergarten and other openings in upper grades that we have.

Second round enrollment begins February 9th. At this time all applications that are accepted are placed after the first round applications and are first come, first served even if it is a sibling application.

We held an informational meeting for the community on January 25th. Approximately 80 families attended.
