Observations (Things That Make You Go "Hmm...")

- 6th Grade Program
76.5% of respondents with 7th grade students feel that the 6th grade program was beneficial in transitioning their student from elementary to middle school. This is down from 94% of respondents with 6th grade students last year who stated that the 6th grade program was beneficial in transitioning their student from elementary to middle school.

 - 64.6% (59.4% in 2016) of respondents feel that Think Through Math has impacted their student's learning in a positive way.
 - 17.3% (27% in 2016) feel that it has not impacted their student's learning in a positive way.
 - 18.2% (13.5% in 2016) don't know what Think Through Math is.

Opportunities for Improvement

- Many comments again about the poor state of the parking lot

- 17% of respondents said they don't know how to communicate with the Board. (This is a 10% improvement over last year!)
- 88% of respondents are satisfied with the middle school sports program.
- Parent Partner Program improvements - some new parents were missed.
- 10% of respondents do not know how to log their volunteer hours. This is up from 7.4% last year.

Follow-up on 2016 SAC Recommendations to the Board of Directors

- Parking lot repairs
 - Many comments again this year about the poor state of the parking lot (potholes, ice) – but none about mud!
 - Many comments this year about traffic problems
- Review Dress Code

This year there were only 9 comments about the Dress Code (13 negative comments in 2016). 3 comments indicate that perhaps we need to better communicate that there has been a change to the lower-grade dress code regarding leggings and shoulder width.
- Review Parent Partner Program (SAC)

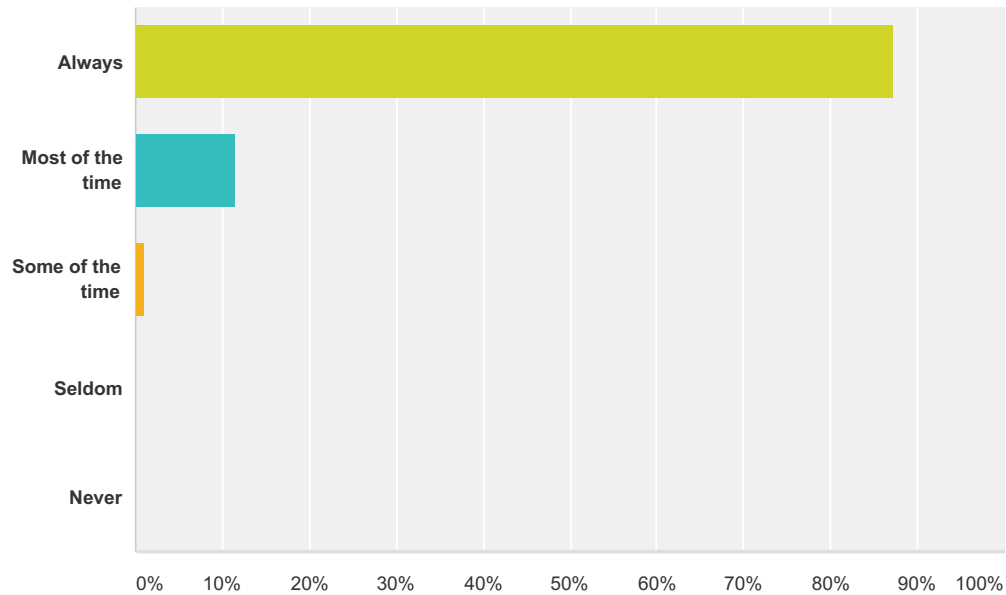

Some new parents were missed again this year. Last year's respondents also indicated a desire for more contact – no comments regarding that this year.

2017 SAC Recommendations to the Board of Directors

- Parking lot repairs
- Improve Safety: parking lot, traffic, party/event days, evening events
- Create “How To” videos for better communication
 - Send out short videos once per month (e.g. how to log volunteer hours, how to check student grades and information on Infinite Campus/JeffcoConnect)
 - Post videos on school website – perhaps a FAQ section
 - Perhaps involve middle school tech classes
