JANUARY Edition

A message from
Mrs. Joseph:

**BACK TO
SCHOOL!**

Dear Families,

Welcome back to school and Happy New Year 2024! We are excited to be back at school with students and especially excited to meet our preschool students who are now in the building, it has been wonderful to welcome our youngest learners and we look forward to teaching them our IB philosophy and to finding opportunities to connect with them. Our teachers had 3 days to do team-building, look at mid-year data and plan for instruction in relation to our school goals from January 3-5th. We are dedicated to looking at a body of evidence for our students and determining what specific supports are needed to help our students meet their growth goals and to build curiosity and love of learning.

Please look out for a family survey coming soon to let us know how we are doing and how else we can partner with you to meet your children's needs. We value your voice and your input. Take a look at the upcoming events and dates we have this semester and I hope to see you at one of our meetings or events.

Lorrie Joseph.

Our school is committed to ensuring that your experience with our school is collaborative, successful and helps your child learn and grow. We want to know how we are doing.

Panorama Education is a company who conducts student and family surveys in schools and districts across the country. Below is a link to complete a survey about family school partnerships. The survey is anonymous and will take around 15 – 20 minutes to complete. The results will be compiled into school level climate reports.

These reports will be used by district leadership and school staff to continue the positive work of our schools while identifying and addressing current needs. The family survey opens **Tuesday, January 16 and closes Friday, February 23.** Thank you for taking the time to give us feedback!
