Febuary Edition

FEBRUARY

BACK TO
SCHOOL!

A message from Mrs. Joseph:

Dear Families,
I can't believe that we are already in February! Teachers have been looking at mid-year data to make instructional decisions to support students in meeting their goals. Our upcoming Parent Teacher Conferences are from 2:45-5:45 pm on Wednesday 7th and Thursday 8th February by appointment. Teachers will be reaching out to request meetings, but you can also schedule a conference if you would like.

Our Preschool students have settled into the building and are enjoying the additional space and their preschool playground, and we have enjoyed seeing our youngest learners.

We have a PTA Meeting Monday, 5th February from 6:00-7:00 pm and hope that you will be able to join us.

Please take the time to complete the online Panorama family survey or return the paper copy to school. I really value your input and your partnership.

Many thanks,
Lorrie Joseph.

Our school is committed to ensuring that your experience with our school is collaborative, successful and helps your child learn and grow. We want to know how we are doing.

Panorama Education is a company who conducts student and family surveys in schools and districts across the country. Below is a link to complete a survey about family school partnerships. The survey is anonymous and will take around 15 – 20 minutes to complete. The results will be compiled into school level climate reports.

These reports will be used by district leadership and school staff to continue the positive work of our schools while identifying and addressing current needs. The family survey opens Tuesday, January 16 and closes Friday, February 23. Thank you for taking the time to give us feedback!

If the link below does not work, highlight the link using your cursor. Then copy and paste the link into your browser address window and hit the “Enter” or “Return” key on your keyboard. If you need a paper copy, please let me know.

PICTURES OF THE MONTH

Hawk Quest with the 6th graders

We received a few compliments at the play A Year with Frog and Toad about our principled behavior. Great job First grade !!

IB learners are inquirers, knowledgeable, thinkers, communicators, principled, open-minded, caring, risk-takers, balanced, and reflective. These superpowers go beyond the classroom, training them to become well-rounded, responsible humans. These students have been nominated by their teachers for their outstanding display of these traits in school. To celebrate their IB traits, they were treated to a scrumptious pizza lunch with Ms. Joseph, who knows how much we appreciate the skills they share with our school community! This week we celebrate our IB ambassadors for all of the good work they have done this year.

Have you enjoyed the events this year? Are you interested in getting more involved with the PTA?

Well the PTA NEEDS YOU!

IMPORTANT

TEAM
PTA

Due to some unforeseen events and moves, some of the PTA board members will be unable to continue for the upcoming school year! Due to this we have positions to fill to ensure we have a full board.

Without it we will not be able to continue to support and put on events here at Patterson. If you are interested at all in possibly learning more about the PTA, and what it means to be on the board, please email us!

I would love to share more information about what it would mean to serve on the board as a PTA member, and how important it is that we continue having the PTA on campus. Please also come to our March 4th meeting!
