

SPORT SCHOLARSHIPS AT HARROW

2025

HARROW
SCHOOL

Sport Scholarship candidates are expected to demonstrate exceptional talent or potential in at least one sport in which they would make a significant contribution to School life. This is not an 'all-rounder' award but an award for excellence in a particular sport. Candidates would normally be of County / Academy standard, although if this level has not been reached, awards may be based on the potential to reach it. Please note that scholarships may **only cover 5% of the fees**.

We advise boys to compete in, **at most, two sports**. Please see the list below for the disciplines in which we offer scholarships. Please send a sports portfolio consisting of any suitable evidence to **sportsscholarships@harrowschool.org.uk**.

The subject of the email should include **your son's full name, date of birth and his chosen sport(s)**.

Evidence should consist of:

- sports references from any clubs and supporting documents from relevant coaches;
- a sports CV consisting of rankings or scores and any other sporting achievements;
- your son's most recent academic school report.

If applicable, please send a maximum of two videos, but this is not necessary.

The email should be received by **5pm on 22 November 2024**.
