SUBJECT: Disposal of Surplus Vehicles

DATE: May 21, 2024

TYPE: Information Only

Board policy 6881 requires school board approval when disposing of district property when a single item has a value of $5,000 or more. The district has the following surplus items that will not exceed the policy threshold.

- 2002 Dodge Grand Caravan with 126,798 miles. This vehicle needs more work than what it's worth, and so it will be scrapped.

- 2010 International Type C bus with 179,618 miles. This bus has been off state depreciation for one year. It will be offered for sale to other school districts and then to the public. If there is no interest it will be scrapped.

This is informational only to notify the board of our intent to sell or dispose of these surplus items.
