TO: Board of Directors

FROM: Ruth Floyd, Executive Director of Business Services

SUBJECT: Disposal of Surplus Vehicle/Equipment

DATE: June 18, 2024

TYPE: Information Only

Board policy 6881 requires school board approval when disposing of district property when a single item has a value of \$5,000 or more. The district has the following surplus items that will not exceed the policy threshold.

- 2002 Dodge Caravan with 133,797 miles. This vehicle needs more work than what it's worth, and so it will be traded in for a new vehicle or scrapped.
- LS-1630 CO2 Laser Cutter and Engraver. This piece of equipment is no longer needed by our district, and so it will be sold or disposed of.

This is informational only to notify the board of our intent to sell or dispose of these surplus items.

Every student is empowered to learn in an inclusive setting  
and is prepared for the future of their choice
