ACADEMIC LEADERSHIP CHARTER SCHOOL

APRIL 2024

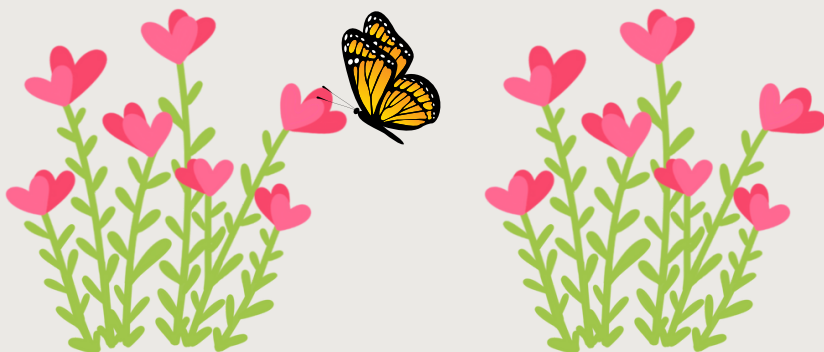

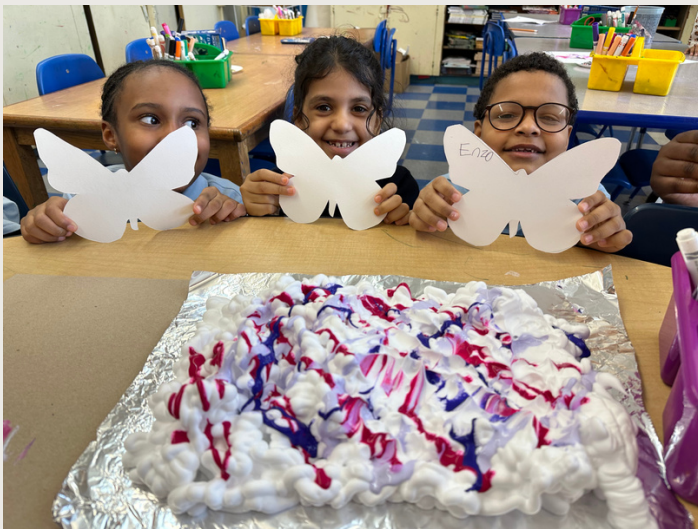

April has been a month of awe-inspiring moments, creative explorations, and communal celebrations at our school. As we step into the heart of spring, our school community has come together in a series of memorable experiences that have enriched our learning and strengthened our bonds.

This month, we were graced with the rare opportunity to witness an eclipse, a celestial event that brought wonder and excitement to our school. Armed with special eclipse glasses that met international safety standards, our students, teachers, and staff gathered to watch this natural marvel unfold. The sense of wonder on the faces of our students was a sight to behold as they observed the eclipse, a testament to the beauty and mystery of our universe.

In anticipation of this event, our students immersed themselves in activities that deepened their understanding and appreciation of eclipses. They explored articles about the different types of eclipses and their rarity, enriching their knowledge and sparking curiosity. Moreover, inspired by this celestial phenomenon, our students created stunning art pieces using chalk and paint, capturing the eclipse's fleeting beauty in a fusion of color and imagination.

April also saw our students embracing the spirit of spring through their artwork. From vibrant paintings that capture the essence of the season to crafts that mirror the blooming world around us, our students have poured their creativity into welcoming spring's arrival. These art pieces not only beautify our school but also serve as a reminder of the renewal and growth that spring brings.

This month was a significant one for our third and fourth grade students as they took on the ELA State Exams with enthusiasm and determination. Their hard work and dedication were evident, and we are incredibly proud of their efforts. We are confident that their performance reflects the commitment and excellence that characterizes our student body. Congratulations to all our students for their perseverance and for facing the challenge with such positive spirits!

As April draws to a close, we extend our warmest wishes to everyone who observed Eid. We hope that this special time of celebration and family brought you joy and peace. Eid Mubarak to all who celebrated!

Looking ahead, we are excited for the spring break, a time for relaxation, adventure, and making memories with loved ones. We hope everyone enjoys this well-deserved break and returns refreshed and ready for the final stretch of the school year.

As we say goodbye to an eventful April, we look back with gratitude for the moments shared and the learning achieved. Thank you to our incredible students, dedicated teachers, and supportive parents for making this month so special. Here's to the adventures that await us in May!
