

# SCHOOL BOARD REPORT

## TOP NEWS OF THE MONTH

### FOOD SERVICE STAFF SPOTLIGHT

I'd like to take this opportunity to thank our Food Service team for another great year in school lunch. Both our kitchen teams as well as our office team.

We have a talented group of very dedicated staff that work hard to present a colorful, attractive meal to our students. We eat with our eyes first before our mouth, so our goal is to offer brightly colored fruits and veggies daily to accompany our entrees.

The dedication of our Food Service team play a vital role in the overall success of the program.

We would like to thank our families that trust us daily to serve their students. See you next year!
