PROCEDURES

- ALL groups will need to create an account and complete the Facility Usage Application form by visiting [Master Library Scheduling](#)
- As part of the application process, the group will be required to upload a copy of their certificate of liability insurance in an amount no less than \$1,000,000. The certificate of liability insurance must name “Sycamore Community Schools” as additionally insured. For repeat group usage (i.e. youth groups, basketball practices/games) one certificate per year is sufficient.
- Approval/Denial of the space will be communicated via email through the Master Library System to the group contact.
- The renting group agrees to assume responsibility not to exceed the maximum occupancy limit as posted by the Fire Department. Maximum Occupancy per site can also be found in the Master Library application system..
- Following the event, an administrator of the facility used should notify the Business Office if additional fees have been incurred. The Business Office will then invoice the group for any applicable fees.
- Fees must be paid within 30 days of billing.
- The signature of the organization contact person on the Facility Usage Application serves to indicate the renting group's understanding of the above guidelines and of the fees to be assessed. The signature further indicates that the renting group and activity sponsor will abide by the established guidelines and fees.
- The user and/or activity sponsor may be responsible for damages to the facilities in excess of normal wear and tear.
- Initial Indoor Gym space and outdoor Field space schedules will be determined by the Athletic Department.
