

## Culinary

Drawing inspiration from world cuisines, our young culinary stars cook and bake their way around the world with experienced professionals in a modern kitchen.

## Field Trips

We embark on educational adventures with our school's captivating field trips, where learning comes to life beyond the classroom walls!

## Tutoring

### Mastering ELA and Math After School

Elevating academic excellence with personalized tutoring that empowers students to thrive and succeed in their learning journey.

## About Us

We pride ourselves on inclusivity, working together to meet all students' needs. By focusing on small group instruction, we have found ways to help all students in the classroom thrive. By providing strong mentorship, we build leaders for tomorrow, harnessing the confidence and independence for academic and personal growth.

## Mission

Our mission at ALCS is to empower young leaders, creating a student body that outperforms state standards across all subjects. We are determined to give our scholars a competitive edge towards high school and beyond, nurturing exceptional youth for exceptional success.

## Our Vision

Students engage in interactive activities and create experiments during Specialized Small Group Instruction.
