What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that students, parents and teachers develop together. It explains how students, parents and teachers will collaborate to make sure that ALL students reach or exceed grade-level standards.

This compact:

- Links to the goals of the Campus Improvement Plan
- Focuses on student skill mastery
- Describes how teachers will help students develop those skills using high-quality curriculum and instruction
- Shares strategies parents can use at home
- Explains how teachers and parents will communicate about student progress
- Describes opportunities for parents to volunteer, observe, and participate in the classroom.

Communication and Collaboration

- The parents, staff and students of North Riverside meet annually to discuss student learning needs based on current grade level data. Our School-Parent Compact for Achievement is revised based on these discussions. Teachers suggest home learning strategies, parents add ideas to make them more specific and students identify ways to support their learning goals.
- The staff at North Riverside will provide an annual meeting at the start of the school year to inform parents of the Title I Program and their right to be involved.
- The school offers meetings at flexible times, provides child care, interpretive services and home visits for parents, as needed.
- North Riverside is committed to frequent, two-way communication with families about their child's learning. Some of the ways parents and school staff communicate include:
 - AVID Weekly Planners
 - Leader in Me Activities and Communications
 - Periodic phone calls and notes
 - Weekly Newsletter
 - Parent-Teacher Conferences
 - Classroom Visits
 - Parent Participation in Classroom Learning
 - Family Nights and Orientations
