

Keller Independent School District
Heritage Elementary School
2024-2025 Campus Improvement Plan

Mission Statement

At Heritage Elementary School, we will engage our students, faculty and staff, parents, and community to achieve excellence in learning and living.

Vision

Heritage Elementary: An exceptional school where PANTHERS are inspired to prevail.

Core Beliefs

*Panthers First * Parents as Partners * Caring, Collaborative Community*

Applying learning through continuous improvement and adaptability are essential in our ever-changing world.

Student Success is a shared responsibility for the family, school, and community.

Consistent high expectations lead to high achievement of all students.

Consistent modeling and practice of exceptional character fosters student success.

Life-long learning is vital to all members of the school community.

Technology is an integral part of the learning process.

Celebrating cultural diversity enriches the learning experiences

A positive, safe, non-threatening environment, where all stakeholders are supported and encouraged, is essential to our success.

Developing meaningful relationships with students, parents, and colleagues is a priority.

Students will be authentically engaged in relevant and meaningful work that promotes sustained learning.

Comprehensive Needs Assessment

Demographics

Demographics Summary

Heritage Elementary School serves students in grades Kindergarten-5. It is located in Keller, TX, in the Keller ISD school district. As of the 2023-2024 school year, it had 615 students. 29.1% of students were considered at risk of dropping out of school. 12.5% of students were enrolled in bilingual and English language learning programs.

Risk factors

A student is [identified as being at risk of dropping out of school](#) based on state-defined criteria. A student is defined as "economically disadvantaged" if he or she is eligible for free or reduced-price lunch or other public assistance.

At-risk students

31.9 %

Keller ISD: 32.3%

Statewide: 53.3%

Economically disadvantaged

54.4 %

Keller ISD: 32.5%

Statewide: 62.1%

Limited English proficiency

14.5 %

Keller ISD: 11.4%

Statewide: 23.1%

Demographics Strengths

- The student-teacher ratio is 13:1, which is the same as that of the district.
- The student population is made up of 49.3% female students and 50.7% male students.
- The school enrolls 54.4% economically disadvantaged students.
- There are 42.9 equivalent full-time teachers and 1 full-time and part-time school counselor.

Problem Statements Identifying Demographics Needs

Problem Statement 1: A lack parental involvement that directly impacts student progress and achievement. **Root Cause:** The socio-economic status of our families prevent consistent daily partnerships.

Student Learning

Student Learning Summary

- Grades 3-5 continued to implement LLI for reading intervention during the fall and spring semester. We showed a lot of growth in increasing reading levels.
- Students, K-5, worked on Istation for Reading and math support this year. Teachers were able to pull reports to pinpoint instructional needs and facilitate small groups based on needs.
- We have utilized MAP Growth Testing for Reading, Math and Science (5th Grade). We have seen growth in students 3-5 Reading and Math Growth based on MAP Growth Assessments. Second Grade Reading has shown improvements through MAP.

Student Learning Strengths

- Student gains and overall academic progress increased in reading comprehension and fluency with targeted skills for small group and LLI intervention.
- We have seen growth in students 3-5 Reading and Math Growth based on MAP Growth Assessments. Second Grade Reading has shown improvements through MAP.
- The rate of improvement shown through ISIP has shown moderate growth across Kindergarten through 5th grade

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): Increasing rigor and relevance to impact tier 1 instruction for all content areas. **Root Cause:** Lacking planning, implementation and usage of curriculum resources

School Processes & Programs

School Processes & Programs Summary

In the 2024-2025 school year, Heritage will serve students in grades K-5th. Kindergarten through second grade classrooms will be self-contained and grades 3 through 5 will be departmentalized. Heritage will utilize provided district curriculum and resources. All teachers will receive small group instruction training and support and implement small groups daily in their classroom instruction. We utilize online programs such as iStation, MAP assessments, Dreambox, and other KISD supported programs for instructional purposes with students. Technology is used for communication with parents and colleagues as well as giving access to teachers for lesson planning and access to district resources.

School Processes & Programs Strengths

Heritage has developed processes for supporting teacher growth through a variety of methods. Teachers will continue to participate in targeted PLC PD tailored to address instructional and behavioral needs. Campus and district coaches will provide training and in class support. Teachers will be able to track and articulate student data during meetings (team data meetings, individual data meetings, RTI, etc.). We will continue to provide demo lesson opportunities and program specific guidance.

Programs Strengths:

- iStation
- Dreambox
- LLI
- MAP

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1 (Prioritized): Delivering targeted intervention with fidelity to support student growth in Math and ELA. **Root Cause:** Utilization of data to drive instructional planning and delivery has impacted overall growth.

Perceptions

Perceptions Summary

Our campus conducted a campus-wide survey, grade level meetings, and a Title 1 parent survey to determine campus strengths and needs. Our parents identified family involvement and support as a campus strength. They identified communication as an area of growth for our campus. Per our staff survey results, communication was identified as an area of improvement. They identified campus/district support as a strength and expressed the need for additional training and application of district-based curriculum/programs. While our parent involvement has increased Heritage would like to see more support for our surrounding community.

Perceptions Strengths

- Relationships have improved through community nights and PTA involvement. We will continue implementing practices that strengthen relationships between school and community. Communication process has been streamlined with weekly newsletters and flyers to promote school functions.
- Staff involvement in Title 1 activities: Math/Reading/Science Nights

Problem Statements Identifying Perceptions Needs

Problem Statement 1 (Prioritized): Creating grade level and individual teacher communication systems that are concise and timely to improve the climate and culture of our campus. **Root Cause:** Utilizing a single form of communication rather than diversifying how information is disseminated and consistently updated.

Priority Problem Statements

Problem Statement 1: Increasing rigor and relevance to impact tier 1 instruction for all content areas.

Root Cause 1: Lacking planning, implementation and usage of curriculum resources

Problem Statement 1 Areas: Student Learning

Problem Statement 2: Delivering targeted intervention with fidelity to support student growth in Math and ELA.

Root Cause 2: Utilization of data to drive instructional planning and delivery has impacted overall growth.

Problem Statement 2 Areas: School Processes & Programs

Problem Statement 3: Creating grade level and individual teacher communication systems that are concise and timely to improve the climate and culture of our campus.

Root Cause 3: Utilizing a single form of communication rather than diversifying how information is disseminated and consistently updated.

Problem Statement 3 Areas: Perceptions

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- Campus goals
- Performance Objectives with summative review (prior year)

Accountability Data

- Student Achievement Domain

Student Data: Assessments

- STAAR released test questions
- Local benchmark or common assessments data
- Running Records results
- Istation Indicators of Progress (ISIP) reading assessment data for Grades PK-2
- Other PreK - 2nd grade assessment data
- Grades that measure student performance based on the TEKS

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data

Student Data: Behavior and Other Indicators

- Discipline records

Employee Data

- Evaluation(s) of professional development implementation and impact

Support Systems and Other Data

- Budgets/entitlements and expenditures data

Goals

Goal 1: Increase Student Achievement

Performance Objective 1: By June 2025, 60% of 3rd grade students will score Meets in reading and math as measured by 2025 STAAR.

High Priority

Action Step 1 Details	Progress Reviews		
<p>Action Step 1: Professional Development, resources, and classroom support will be provided to ELA/Math/Science teachers, instructional support staff and administration to increase tiered instruction.</p> <p>Measures: Lesson plans: To identify small group focus Eduphoria: Strive walk through reports MAP Pre-Post Test Math Common Assessment reports ELA</p> <p>Staff Responsible for Monitoring: Instructional coach, IST's, Principal, & AP</p> <p>Title I: 2.4, 2.5</p> <p>- ESF Levers: Lever 5: Effective Instruction</p> <p>Funding Sources: iStation Math PD - 211 - Title I Pt A Impr BSC Prg - \$3,850</p>	Progress		
	Dec	Apr	July

Action Step 2 Details	Progress Reviews		
<p>Action Step 2: Targeted small group instruction with skill based center rotations will be implemented with fidelity to support student progress throughout our building. All instructional materials, supports and supplies will be provided to staff for lesson planning and instructional delivery.</p> <p>Measures: Lesson plans: To identify small group focus Eduphoria: Strive walk through reports MAP Pre-Post Test Math Common Assessment reports ELA</p> <p>Staff Responsible for Monitoring: Instructional coach, IST's, Principal, & AP</p> <p>Title I: 2.4, 2.5</p> <p>- TEA Priorities: Build a foundation of reading and math</p> <p>- ESF Levers: Lever 5: Effective Instruction</p> <p>Funding Sources: Outdoor Learning Center - 211 - Title I Pt A Impr BSC Prg - \$44,000</p>	Progress
