

Jase Delich Memorial Scholarship
-\$500-

Jase was a beautiful soul who impacted the lives of everyone she came into contact with. She had a smile that lit up a room and when she wanted something she would move mountains to make it happen. Jase knew what she wanted from an early age and did not fit the mold of a "typical high school student". She had big dreams and created her own plan to make her dreams happen. Jase graduated early with her high school diploma while also completing a college certification as a nail technician. Jase had amazing drive and with this scholarship we would like to support a student with similar ambition and character to achieve their goals.
