

Meadowbrook Elementary

Home-School Compact

2024-2025

The purpose of the home-school compact is to build and foster the development of a home-school partnership to help all children be responsible and productive citizens and achieve our state's high academic standards. Through a process that includes families, students, and the school community, the following are agreed upon responsibilities and rules that we as partners will follow to support student success in school and in life.

As a school, our responsibilities for the education of our students include:

- Provide a safe and positive learning environment for every student
- Accept the individuality of each student and their families, valuing and respecting differences and celebrating diversity
- Offer an open communication environment that allows for effective communication between parents, teachers, and students
- Assist all students in meeting the high academic standards for the Missouri Assessment Program by providing innovative and rigorous instruction
- Adapt instruction to meet the individual needs of our students when needed
- Nurture positive self-images of students by teaching problem-solving, decision making, and interpersonal skills
- Foster a love of learning to promote life-long learners
- Be an advocate for each student

As a family, our responsibilities for the education of our students include:

- Maintain communication with your student and their teachers
- Assure that your student attends school regularly, arriving on time and staying all day
- Support and participate in school events and activities – conferences, family involvement events, and programs
- Value the importance of education by finding time to talk with your student about what they are learning
- Stay informed about my student's education by reading communications from school and responding appropriately
- Discuss and set educational and personal goals with your student
- Support and encourage your student in making positive choices for behavior
- Provide a quiet time and place for students' homework, monitoring television and video gaming time
- Be an advocate for your student

As a Meadowbrook student, my responsibilities for my education include:

- Stay safe by staying in my assigned area and keeping my hands and feet in my own space
- Respect myself, my classmates, and all staff of Meadowbrook Elementary
- Come to school every day ready to learn, bringing necessary materials and assignments and giving my best effort in every situation
- Communicate with my family and teachers so that they can help me be successful in school
- Use polite, appropriate words to communicate with peers and teachers
- Make positive choices by treating others the way they expect to be treated and honoring each person's perspective
- Read every day

As members of the Meadowbrook community, we pledge to do our best to adhere to the responsibilities outlined in this Home-School Compact. The education of our students is a shared responsibility, and my signature represents my commitment to do my part in helping each Meadowbrook student succeed and reach their full potential.
