## **STUDENT & PARENT HANDBOOK ACKNOWLEDGEMENT**

Upon completion of the enrollment application, and with student attendance in the Madison School District, the student(s) and parent(s)/guardian(s) have agreed to the terms in the Student & Parent Handbook, and acknowledge the contents and understand the rules and policies contained. It is the student(s) and parent(s)/guardian(s) responsibility to follow these guidelines. This acknowledgement applies to the handbooks, Technology Agreement (including the Acceptable Use of Personal Technology Devices in Madison), and the District User Agreement for Internet and Email Access.

### **ACCEPTABLE USE OF PERSONAL TECHNOLOGY DEVICES IN THE MADISON SCHOOL DISTRICT**

We, both as student(s) and parent(s)/guardian(s), understand and will abide by the provisions and conditions of the acceptable uses of personal technology devices in the Madison School District. We understand that any violations of the terms and conditions may result in disciplinary action.

### **MADISON SCHOOL DISTRICT USER AGREEMENT FOR INTERNET AND EMAIL ACCESS**

We, both as student(s) and parent(s)/guardian(s), understand and will abide by the provisions and conditions indicated. I understand that any violations of the terms and conditions may result in disciplinary action and the revocation of my use of electronic information services (EIS).

We, both as student(s) and parent(s)/guardian(s), understand that even though the School District provides web content filtering on its network, it is impossible for the School District to restrict access to all controversial materials, and we will not hold the District responsible for materials acquired by use of the EIS. We also agree to report any misuse of the EIS to a School District administrator. (Misuse may come in many forms but can be viewed as any messages sent or received that indicate or suggest pornography, unethical or illegal solicitation, racism, sexism, inappropriate language, cyber-bullying or other issues described in the agreement.)

We, as parent(s)/guardian(s), accept full responsibility for supervision if, and when, my child's use of the EIS is not in a school setting. We hereby give permission for use of the electronic information services.

## MADISON SCHOOL DISTRICT SAFE STORAGE RESOLUTION

### RESOLUTION APPROVING THE SAFE STORAGE ARGUMENT OF THE GOVERNING BOARD OF MADISON ELEMENTARY SCHOOL DISTRICT NO. 38 OF MARICOPA COUNTY, ARIZONA.

WHEREAS, Madison Elementary School District serves more than 5,000 students and employs more than 1000 full-time and part-time valued staff members; and

WHEREAS, the safety and well-being of our students and team members are our top priority every day; and

WHEREAS, evidence strongly suggests that educating parents on secure firearm storage in their homes is an essential component of any effective strategy to keep schools and students safe; and

WHEREAS, an estimated 4.6 million American children live in households with at least one loaded, unlocked firearm; and

WHEREAS, every year in the United States, nearly 350 children under the age of 18 unintentionally shoot themselves or someone else. That's roughly one unintentional shooting per day, and 77 percent of these incidents take place inside a home; and

WHEREAS, another 590 children die by gun suicide each year, most often using guns belonging to a family member; and

WHEREAS, national research on incidents of gun violence on school grounds shows that the perpetrators are more often current students or recent graduates, and that the majority obtained their guns from their own home, a relative's home, or from friends; and

WHEREAS, national research shows that secure firearm storage practices are associated with up to a 78 percent reduction in the risk of self-inflicted firearm injuries and an 85 percent reduction in the risk of unintentional firearm injuries among children and teens;

WHEREAS, the U.S. Secret Service National Threat Assessment Center recommends the importance of appropriate storage of weapons because many school attackers used firearms acquired from their homes; and

WHEREAS, across the country, lawmakers, community members, and local leaders are working together to implement public awareness campaigns, such as Moms Demand Action for Gun Sense in America's Be SMART program, which is endorsed by the National PTA and which encourages secure gun storage practices and highlights the public safety risks of unsecured guns;

---

WHEREAS, keeping students, teachers, and staff safe from the threat of gun violence should be the responsibility of all adults in our community; and

WHEREAS, in order to continue with preventative measures to increase student and school safety we must act now.

NOW, THEREFORE BE IT RESOLVED that the Madison Elementary School District Governing Board directs the Superintendent to update the Madison Handbook for Students & Parents to include information about the secure storage of firearms; and

BE IT FURTHER RESOLVED that the Board directs the Superintendent to create an appropriate communication to parents and guardians that addresses student safety and wellbeing, including the importance of secure gun storage to protect minors from accessing irresponsibly stored guns and to share this communication with all district families as part of back to school activities; and

BE IT FURTHER RESOLVED that the Board and the Superintendent will continue to work with local law enforcement agencies, health agencies and non-profits to collaborate and increase efforts to inform District parents about secure storage of firearms in their homes.

BE IT FURTHER RESOLVED that the Board calls upon the Arizona State Legislature and Governor to enact Safe Storage laws, as the safety and protection of all children require it. The majority of states in our nation have enacted Safe Storage laws which carry criminal penalties for adults who allow guns to be accessed by children. Arizona currently has no such statute. This lack of safe storage laws presents a danger to all children.

*Adopted by Governing Board April 9, 2024*

## ATHLETICS

Madison Elementary School District believes strongly in the value of extra-curricular activities. One of the most valuable outcomes is the mental, physical, and social development of the students who represent Madison Elementary School District through their participation in athletics and activities.

Participation in extracurricular activities is a privilege. It is important to have good representatives who are leaders both on campus and in the community. For specific information regarding athletics, please refer to the athletic handbook on the athletics page of your school website: <https://www.madisonaz.org/Page/260>.

## ATTENDANCE

Arizona State Law charges the parent or guardian with responsibility for the student's consistent school attendance. Attending school each day, being on time, and remaining for the entire day is very important for the total commitment to learning. Absences, tardiness, and early checkout disrupt the learning process. Students are expected to attend regularly (minimum of 90% of the school days) and be prompt arriving at school. Parents are encouraged to make doctor, dentist, and other appointments at times that will not interfere with school.

### Definitions

**Tardy** is defined as arriving after the start of the regular school day, at the assigned location ready for classroom activity. Tardiness is also defined as arriving after the start of the class period at the assigned location ready for classroom activity. The teacher must admit all tardy students upon arrival to class. Excessive tardies may result in disciplinary consequences.

**Absence** is defined as a student not being present in his/her assigned classroom during the assigned period.

**Single Period Absence:** No absence will be excused without the student first checking in with the office accompanied by a parent and/or written verification of an appointment.

**Unexcused Absence** is any absence from 1 or more class periods, which has not been excused by a parent according to the procedures listed below. ARS 15-901.A-2 mandates that 10 consecutive unexcused absences constitute a mandatory withdrawal from school retroactive to the last day attended.

**Excused Absence** is any absence from 1 or more class periods, which has been excused by a parent according to the procedures listed below. Excused absences shall also include any school sponsored event which causes students to miss class, such as field trips, early dismissals for athletics (if necessary), etc. No student may be excused from class by a parent and still remain on campus.

**Truant:** Unexcused absence of at least 1 class period.

**Habitual Truancy:** An habitually truant child is a child between the ages of six and sixteen who has 5 days of unexcused absences within a single school year (ARS 15-803). Arizona State Law states that it is unlawful for any child between the ages of six and sixteen to fail to attend school during the hours school is in session, unless exempt as defined by ARS 15-803.

**Excessive Absences** is when the student misses more than 10% (18 days) of the required number of school days per year whether the absences are excused or unexcused.

**Withdrawals** include students formally withdrawn from schools and students absent for 10 consecutive school days, except for excused absences as identified by the Department of Education. For computation purposes, the effective date of withdrawal shall be retroactive to the last day of actual attendance of the student.

## Procedures for Absences

It is the obligation of the parent of an absent student to contact the school attendance office prior to or on the actual day of the absence. Parents are expected to call no later than 1 hour after the start of school. It is helpful to call the attendance line to report your child's absence. For your convenience, voicemail is available 24 hours a day to inform the school of an absence. If no contact is made to the school within 24 hours, the absence will be considered unexcused. At the time of call in, all parents are expected to verify the reasons for and the date(s) of absence. When a parent wishes to have a student excused before the close of the school day, the attendance office must be informed prior to the student's departure, and an administrator or designee must provide permission. School administration will be notified of excessive tardies and/or absences.

### Consequences for attendance violations:

**5 Absences** = Warning letter may be issued

**10 Absences** = Meeting with parent may occur (for Grades K-2 and 3-4, Face-to-Face meeting; for Grades 5-8 Face-to-Face meeting or phone conference)

**15 Absences** = Meeting with a truancy officer, parent, student, and school administrator may occur

**19+ Absences** = Truancy Citation may be issued and/or Open Enrollment Revocation Hearing may occur

### Make-Up Work

Student attendance in class is critical to high levels of student learning. A student who is absent for the following reasons will be permitted the same amount of time s/he was absent to complete make-up work:

1. Work missed due to excused absence.
2. Work missed due to unexcused absence.
3. Work missed due to suspension.
4. All work must be made up.
5. All work will be assessed on the quality of work.
6. Full credit will be given if full credit is earned based upon the content and the standards being assessed.

## COURT UNIFIED TRUANCY SUPPRESSION PROGRAM (CUTS)

School attendance is not only a good habit; state law requires it. Arizona State Law (15-802.E, 15-803) requires every person who has custody of a child between the ages of six and sixteen years shall make sure the child attends school for the full time school is in session unless unable to attend due to illness or another legitimate reason.

To encourage and improve school attendance, Madison School District has implemented a truancy program in partnership with Maricopa County Juvenile Court. This truancy program is called C.U.T.S. (Court Unified Truancy Suppression). We will be tracking attendance very closely. Your child is expected to be at school every day, unless there is an excused reason not to be. An absence is defined as a minimum of one missed class period per day. An unexcused absence will count as a truant day as defined by the law. A student is "habitually truant" if he/she has **five or more unexcused absences** from school. A student that is **absent more than ten percent (18 days)** of the required number of school days per year is considered to have "excessive absences" **whether the absence is excused or unexcused**.

When a student has **five** or more unexcused absences or **19** excessive absences (excused OR unexcused), the student can be cited to the CUTS Program through the Juvenile Court. **The hearing will be at the Juvenile Court Center.** A parent or legal guardian must be present with the student at the time of the hearing. Consequences at the hearing may include the following: required attendance of the parent and the child at an education class (to be held on Saturdays), work hours assigned to the child, counseling, etc. The parent will be assessed a \$50

Diversion fee. Failure to complete these consequences may result in suspension of your child's driver's license, or inability to get a driver's license until their 18<sup>th</sup> birthday and/or formal court proceedings. It is the parent's/guardian's responsibility to ensure their child's attendance in an approved academic setting. If you fail to take the necessary steps to provide your child with appropriate education, you may receive a citation. If convicted, it is a Class 3 misdemeanor punishable by jail time and/or fine.

The education of your child is extremely important to us. This program is another way that Madison School District is working with the community to ensure a quality education for all students. Please note that the school also reserves the right to have a CUTS Officer speak at Orientations and Assemblies, as well as to individual groups of students regarding the importance of school. If you have any questions or concerns, please contact your child's school.

## **BUS SAFETY**

### **MADISON SCHOOL DISTRICT POLICY EEAE-EA**

Students are required to carry their District-issued Student ID cards on the bus and to use them to badge on and off the bus. Parents are encouraged to download Tyler Technologies My Ride K-12 app from on the App Store / Play Store. Parents can link the app to their student's ID and view bus information including route, stops, ETA and view where students board and exit the bus. The District will notify parents via the app when there is a bus delay.

#### **Arriving at pickup point**

- Be on time. Be at the bus stop five minutes prior to the stop time.
- If you have to walk along the road to reach the bus stop, walk on the left side facing oncoming traffic.
- Walk on sidewalks or the shoulder of the road where possible.
- If other students are waiting at the bus stop, get in line without pushing or crowding and stay out of the roadway.

#### **Board the bus**

- Parents/Guardians or other non-students may not board a bus without District office permission.
- Line up in single file, with younger students in front, so they can board first.
- Wait until the bus comes to a complete stop before attempting to get on board.
- Board the bus quickly but without crowding or pushing.
- Never run on the bus, as the steps or floor may be slippery, especially in wintertime. Place your foot squarely on the step, not on the edge, and use the handrail.
- Be particularly careful if you are carrying books or parcels, as it is difficult to see the steps and to hold the handrail.
- Go directly to your seat and sit straight, well to the back of the seat, and face the front of the bus.

#### **Conduct on the bus**

- The bus will not move until all passengers are seated.
- Remain seated throughout the trip, and leave your seat only when the bus has reached its destination and comes to a complete stop.
- Keep your books and parcels on your lap or put them under the seat.
- Keep the aisle clear.
- Do not talk to the driver except in case of an emergency.

- Avoid doing anything that might disturb or interfere with the driver. Refrain from loud or boisterous talking or yelling.
- Never stick your hands, arms, head, or feet out of the windows of the bus.
- Do not open windows without the driver's permission.
- Do not throw anything within the bus or out of a window; you might injure a pedestrian or force a motorist to make a dangerous maneuver.
- Do not touch the emergency door or exit controls or any of the bus safety equipment.
- Do not discard garbage in the bus.
- Eat at home or school, but not on the bus.
- Obey promptly the directions and instructions of the school bus driver.

### **Prohibited items**

- Glass, tobacco, alcohol, drugs, and/or drug paraphernalia are not allowed in a school bus.
- Insects, reptiles, or other animals shall not be transported in a school bus. [A.A.C. R17-9-104]
- No weapon, explosive device, harmful drug, or chemical shall be transported in a school bus.
- No skateboards, scooters, hoverboards, rollerskate/rollerblades, or Heelys are allowed on the bus.

### **Exit from the bus**

- Remain seated until the bus has reached its destination and comes to a complete stop.
- Do not push or crowd when leaving the bus.

### **Crossing the road**

- If you must cross the road, walk to a point about 10 feet in front of the bus but do not cross until you can see that the driver has indicated that it is safe to do so.
- As you cross the road, look continuously to the right and left. At an intersection, look in all directions.
- Cross at right angles. Never cross the highway diagonally.
- Walk briskly across the road, but do not run.
- Never cross the road behind the bus.

### **Accident or other emergency**

- In case of an accident or emergency, older students should help the driver to maintain order and assist younger students.
- Stay in the bus unless otherwise directed by the driver.
- If you have to leave the bus, stay in a group and obey the driver's instructions.
- Do not expose yourself or others to needless hazards.

### **Procedures followed upon student misbehavior on school bus**

- When a student misbehaves on a bus for the first time, the driver will explain to the offender the necessity for good behavior.
- If, after talks and warning, the rider continues to violate the rules, the driver will inform the student that the rule violation will be reported to the principal. This report will include the use of a written form that lists the offense and the action taken by the principal.
- When a student is not allowed transportation by school bus, the principal will inform the parents of the penalty, the reason for it, and how long the penalty will last. In such cases, the parents become responsible for seeing that their child gets to and from school safely.
- A student who is suspended from riding on one bus will be refused transportation by all drivers for the specified period of time.

Dress or accessories that display speech or language that is offensive or inappropriate to the limited forum of the public school environment are prohibited (See Madison Elementary School District policies and regulations KFA, JICA, JICA-R, JICF, JICF-R). Dress or accessories that display these or are deemed to advocate or encourage any of these are counterproductive to Madison's curriculum goals and educational objectives.

## **TECHNOLOGY DEVICES**

The Madison School District (hereinafter referred to as "the District") has linked student and staff computers to the Internet in order to promote educational excellence by facilitating resource sharing, innovation, research, and communication.

In a school setting, the Internet should be treated as a rich educational resource that allows students to reach beyond the classroom walls to enhance learning. However, there is potential for access to content deemed inappropriate. The District will provide students with appropriate instruction for using the Internet in an educational setting. The District will make every effort to prevent access to unacceptable sites on the Internet through the use of filtering devices that restrict access.

Please refer to the Electronic Information Services User Agreement below for rules of etiquette that students are expected to follow while using the internet.

## **ELECTRONIC INFORMATION SERVICES USER AGREEMENT**

Details of the user agreement shall be discussed with each potential user of the Electronic Information Services (EIS). By agreeing to the terms laid out in this handbook, the student is permitted use of EIS resources.

## **EVERY STUDENT SUCCEEDS ACT (ESSA)/Teacher Qualifications**

### **Teacher Qualifications**

The federal government provides assistance to schools serving students from high-poverty backgrounds through the Title I program. Madison School District has a number of schools served through the Title I program. Parents of students attending Title I schools may request information about the professional qualifications of their child's classroom teacher. Specifically, parents may request information about:

- Whether the teacher has met criteria for the grade levels and subject areas taught;
- Whether the teacher is teaching under an emergency credential or license, or other provisional status;
- The baccalaureate degree major of the teacher and any graduate degree held by the teacher, and the field of discipline of that degree; and
- Whether your child is provided services by paraprofessionals and, if so, their qualifications.

If you would like to know the qualifications of your child's teacher or paraprofessional, please contact **602-664-7900**.

## **FERPA ANNUAL NOTIFICATION OF PARENT RIGHTS**

The Family Educational Rights and Privacy Act (FERPA) affords parents certain rights with respect to their student's education records. These rights are:

- The right to inspect and review your child's educational record.
- The right to request the amendment of your child's educational record if you feel the educational record is misleading, inaccurate, or in violation of the student's rights.
- The right to give written consent before any personally identifiable information is released about your child, except to the extent that FERPA authorizes disclosure without consent.
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA if you have been unable to resolve those differences at the school district level.

### **Procedures to Obtain Educational Records**

To request records of students currently enrolled in the district, please contact the school principal and inform him/her that you would like a copy of your child's educational record. The school will respond to any request without unnecessary delay, and within forty-five (45) days of receiving the request. There may be a small fee to cover the copying.

To request records of former students who have withdrawn or been promoted from the district, please contact our student records office at 602-664-7958 or email [records@madisoned.org](mailto:records@madisoned.org). Student records requests are processed as quickly as possible and in the order in which they are received. Former students over the age of 18 must request their own records.

### **Procedures for Requesting a Change in Your Child's Education Record**

Parents who wish to ask the school to amend their child's education record should, in a written letter to the school principal, clearly identify the part of the record they want changed and indicate why the parent believes the record is misleading, inaccurate, or a violation of a student's rights. Within 10 working days the school will notify the parent of the school's decision to uphold or amend the student's records. If the school decides not to amend the record as requested by the parent, the school will notify the parent of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent when notified of the right to a hearing.

These rights as outlined above are transferred from the parent or legal guardian to the student when he or she turns 18 years of age.

For more information about FERPA and answers to frequently asked questions, please see the U.S. Department of Education website at [studentprivacy.ed.gov](https://studentprivacy.ed.gov).

State law requires that a student be excluded from school if they are suspected of having a communicable disease. In the event of a disease outbreak such as measles, all students not in compliance with their immunizations and all exempt students must be excluded for 21 days as per the Arizona Department of Health.

Madison District follows the guidelines of the Arizona Department of Health regarding immunizations and all communicable diseases.

To ensure that such students have the opportunity to successfully keep up with assignments, teacher(s) shall have the responsibility to provide, in a timely manner, homework for students designated as having chronic health conditions.

A student who has been examined by a licensed physician or nurse practitioner and who is certified by that doctor or nurse practitioner as being unable to attend regular classes for a period of not less than 3 school months or for intermittent periods of 3 months may qualify for homebound instruction.

Further, students with chronic health conditions shall be provided flexibility in physical education activity requirements so that they may participate in the regular physical education program to the extent their health permits. Parents are allowed to write a note excusing their child from physical education for up to 3 days. If a child needs to be excused from physical education for more than 3 days, a doctor's note is required. The student shall notify school staff as soon as possible following the use of the medication.
- For breathing disorders, handheld inhaler devices may be carried for self-administration provided the pupil's name is on the prescription label on the medication container or on the handheld inhaler device and annual written documentation from the pupil's parent or guardian is provided that authorizes possession and self-administration.

## **TITLE IX SEXUAL HARASSMENT**

### **MADISON SCHOOL DISTRICT POLICY ACAA**

Title IX of the Federal Education Amendments Act protects people from discrimination based on sex in education programs or activities that receive Federal financial assistance. The District does not discriminate on the basis of sex and is required by Title IX not to discriminate in such a manner. The District adheres to all conditions established by Title IX by recognizing the right of every student who attends school in the District and every employee who works in the District to do so without the fear of sexual harassment.

The District accepts and shall employ the definition of sexual harassment as established by the Title IX regulations. Sexual harassment means conduct on the basis of sex that satisfies one (1) or more of the following:

- A. An employee of the District conditioning the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct;
- B. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity; or

C. "Sexual assault" as defined in 20 U.S.C. 1092(f)(6)(A)(v), "dating violence" as defined in 34 U.S.C. 12291(a)(10), "domestic violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34 U.S.C. 12291(a)(30).

The District also accepts and shall employ the definition of a complainant as an individual who is alleged to be the victim of conduct that could constitute sexual harassment, and a respondent as an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

The District shall designate and authorize an employee as the "Title IX Coordinator" to comply with its responsibilities pertaining to sexual harassment under Title IX. Inquiries about the application of Title IX may be referred to the District's Title IX Coordinator.

Any person may report sex discrimination, including sexual harassment, regardless of whether the person reporting is the person alleged to be the victim of the reported conduct or not. A report may be made in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. Such a report may be made at any time (including during non-business hours) by using the telephone number or electronic mail address, or by mail to the office address, listed for the Title IX Coordinator. The District shall notify students, parents or legal guardians of students, employees, applicants for employment, and all unions or professional organizations holding collective bargaining or professional agreements with the District, of the name or title, office address, electronic mail address, and telephone number of the Title IX Coordinator.

The District will respond promptly when any school employee has notice of sexual harassment. Upon receipt of notice of sexual harassment, the District shall notify students, parents or legal guardians of students, employees, applicants for employment, and all unions or professional organizations holding collective bargaining or professional agreements with the District, of the District's grievance procedures and grievance process, including how to report or file a complaint of sex discrimination, how to report or file a formal complaint of sexual harassment, and how the District shall respond. The District is committed to investigating each formal complaint submitted and to taking appropriate action on all confirmed violations of policy. The District shall follow grievance procedures that provide for the prompt and equitable resolution of complaints from students and employees alleging sexual harassment.

The District shall, to the extent reasonably feasible, keep confidential the identity of any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as is necessary to carry out the grievance process and as may otherwise be permitted by law.

Title IX sexual harassment complaints may include violations covered by Arizona's mandatory reporting statute, A.R.S. [§13-3620](#). Any abuses classified by statute as "reportable offenses" must be reported as such to the authorities because not reporting a reportable offense is classified as a Class 6 Felony.

### **Retaliation Prohibited**

Neither the District nor any person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, or because the individual has in good faith made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing. Intimidation, threats, coercion, or discrimination, including charges against an individual for violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX, constitutes retaliation.

## STUDENT RECORDS and PUBLIC NOTICE FOR DESTRUCTION OF RECORDS

The Madison Elementary School District retains student records for four years after the student's promotion or withdrawal from the District. Following a student's 8th grade promotion from the District or when a withdrawn student turns 16 years old, permanent student records are archived.

Only basic identifying information (student name, date of birth, student number), immunization records, grade reports, and State standardized test results are permanently archived, when applicable.

**All cumulative student records (except for permanently archived records) will be destroyed four years after the school year of last attendance.** Special Education records are retained for five years after the student is withdrawn or dismissed from Special Education. Special Education records are not permanently archived.

Before any records are destroyed, parents have the right to review and obtain copies of their child's records. Please contact Madison School District, Student Records Department at 602-664-7958 or email [records@madisoned.org](mailto:records@madisoned.org). If the student is a minor (17 years of age or younger), parent(s) or legal guardian must provide all legal documentation verifying relationship AND government issued picture ID. Former students over the age of 18 must request their own records.

Student records requests are processed as quickly as possible and in the order in which they are received. Please be advised that our student records department experiences a surge in requests each August as the District enrolls new students; you may experience a delay in processing during this time. Per 20 U.S.C. 1232g, school districts have 45 days to fulfill student records requests.

## STUDENT RIGHTS & SUPPORTS

Madison District has a commitment to eliminating barriers to learning and enabling every student to successfully reach their full potential. To do this, Madison has adopted a Multi-Tiered System of Supports (MTSS) framework, which is focused on prevention and problem-solving for all students, using data-based decision-making. MTSS uses evidence-based instruction, intervention, and assessment practices to ensure that every student receives the appropriate level of support based on their level of need. Attention is focused on creating and sustaining supports for academic and social-emotional/behavior: Tier 1 universal, Tier 2 targeted additional supports and Tier 3 intensive supports.

The following basic guidelines of rights and responsibilities shall not be construed to be all-inclusive. Each student is obligated to respect the rights of classmates, teachers, and other school personnel. Students shall exercise their rights responsibly, with due regard for the equal rights of others and in compliance with the rules and regulations established for the orderly conduct of the educational mission of the District. Students who violate the rights of others or who violate rules and regulations of the District or of their school are subject to appropriate disciplinary measures.

## VISITORS

No person may enter onto school premises, including visits or audits to a classroom or other school activity, without approval by the principal. Neither will any person be allowed to conduct or attempt to conduct any activity on school premises that has not had prior approval by the principal.

A visitor is an individual who attends a school on occasion and for small increments of time. A visitor typically visits a school to meet with staff, pick up students during the school day or perform temporary, contractual and/or substitute service. Examples of a visitor include, but are not limited to, a District employee from another location, substitute and temporary employees, third-party contracted personnel, parents picking up students or meeting with a teacher, persons providing service and repair to facilities, vendors, and community members meeting with school personnel.

All visitors and volunteers must sign in at the school office and get a visitor's badge at the beginning of any visit, no matter how brief. You may pre-arrange to visit during class time by contacting your child's teacher or the school office. Children who are not enrolled at the school are not permitted on school grounds during the school day without direct parental supervision. Children not enrolled in the school may not be on the playground during the school day. Visitors are not permitted to photograph and/or record any students other than any student(s) of which they are legal guardians of.

## VISITOR GUIDELINES

- Visitors must follow all school rules and stay in designated areas as determined by school.
- Parents may not bring other non-school aged children to school while participating in school activities, school volunteer opportunities, field trips, and class parties.
- The principal may suspend or revoke the privileges of any visitors for failure to comply with the school rules or the requests of school personnel.
- Principals will determine when visitors are allowed for school activities.
- Cafeteria guidelines are outlined below.

Visitors wishing to come on an elementary or K-8 campus prior to the start of the school day, may accompany their child to the playground from 7:20 am until the first bell rings. Visitors are restricted to the playgrounds and may not enter the buildings. Visitors must realize that staff will be supervising students during recess and will be unable to converse at any length with visitors. Visitors are expected to leave campus promptly when the first bell rings. They may not follow students into classrooms.

Visitors wishing to come on a middle school campus prior to the start of the school day may accompany their child to the gates or cafeteria doors until the first bell rings. Visitors are expected to leave campus promptly when the first bell rings.

### Cafeteria Guidelines

Upon arrival at the school, all visitors must report to the main office. Office personnel will facilitate the process for visitor registration. Visitors will be required to provide a valid government-issued ID/correspondence that will be entered into the Raptor Visitor Management System. - Your student will meet you as their class enters the cafeteria.
- We ask that you sit at the designated tables marked "visitor seating" with your student.
- After lunch, please come directly to the office, sign-out, and return your visitor's badge.

There are a limited number of dates throughout the school year when lunch visitors are not allowed. Please plan your lunch visits on days other than those listed below:

- First week of school
- Early Release Days (TCT Wednesdays)

## **VOLUNTEERS**

In keeping with the mission statement of the District, the major goal of the volunteer program is to assist schools in providing extraordinary learning for each student. The services of volunteers are utilized in schools to accomplish the following objectives:

- Assist teacher support personnel with non-instructional tasks
- Provide teachers with more time to work with students
- Enrich the curriculum and students' learning opportunities
- Provide individual attention to those children needing additional assistance
- Promote a school-home-community partnership for quality education

Volunteerism is encouraged and supported (A.R.S. 15-102). Volunteers make valuable contributions to educational programs and staff support. The volunteer's role is an important one. For the purpose of these guidelines and procedures, volunteers are defined as those people who donate time in schools or with students on a regular, recurring basis, or serve as a chaperone.

The Madison Volunteer Handbook can be found at <http://madisonaz.org/community/volunteer/>

## **STUDENT DISCIPLINE**

Positive conduct in the schools is of primary importance to both school staff members and to parents/guardians. Orderly conduct of students is necessary in every school situation so as to ensure the safety and health of all and to maximize learning. Effective discipline is necessary for quality education.

Please refer to the Student Discipline Matrix on pages 34 – 62 of this handbook. The District's threat management process (detailed below) will be employed as needed to determine appropriate interventions and responses.

## **THREAT MANAGEMENT PROCESS**

The Madison Elementary School District constitutes a comprehensive and systematic approach to investigate and assess students who are engaged in or exhibiting behaviors implying aggression or violence directed at other people. It is not designed for the use with students who are suicidal, exhibiting behaviors that are sexual in nature, or setting fires, unless they are doing so as an act of violence intended to cause serious or lethal injury to others. The threat management process was developed by a Madison team of school and district administrators, mental health professionals, and law enforcement, and the process is aligned with the Arizona Department of Education and federal recommendations.

This system combines the use of investigative information gathering strategies with “targeted violence” related questions. The purpose is to collect data to help make an informed judgment about a student’s level of safety towards others and to identify risk factors surrounding a student’s behavior. The data collected guides the development and implementation of a Student Safety Management Plan.

Threat assessment identifies the level of intervention and supervision necessary to mitigate safety/risk factors. It also allows teams to collect information to make decisions regarding student safety and assists teams in implementing interventions with the purpose of reducing risk.

### **Goals**

- To provide a protocol to assess threats of potentially harmful behaviors, risk factors, and action required to support school safety.
- To provide a multi-level system that can mobilize broader community responses and resources to help facilitate the development and implementation of safety monitoring and management plans.
- To develop and maintain a sense of safety among students, teachers, staff and parents/guardians.

### **Discipline and Safety**

Due to safety and rule violations, behaviors that are associated with potential or actual violence may lead to a disciplinary action involving either suspension or expulsion. Discipline and assessment are parallel processes with different, but equally important purposes. Discipline is designed to support the order and stability of the school and to provide the opportunity to teach prosocial behavioral skills.

### **IMMINENT DANGER RESPONSE**

The threat assessment system is not designed to provide an immediate safety crisis response. If there is imminent danger, call law enforcement and follow school emergency procedures. After containment, if further information is needed to help assess threat potential, proceed with this system

## **DISCIPLINE MATRIX**

This handbook serves as the due process notice for behavior standards in the Madison Elementary School District. The infractions and violations listed are aligned with Arizona Safe Schools, the Arizona State Reporting System, and Madison Elementary School District policies. Under state law, school officials must follow additional protocol prior to issuing an out of school suspension of more than two days or expulsion for students up to age seven in grades K-4. Reasonable attempts are made to notify parents of all disciplinary referrals. Parent notification will take place for infractions receiving administrative consequences.

Administration may exercise discretion when determining interventions and/or responses depending on severity of the infraction. If the infraction occurs on the bus, a suspension or termination of bus-riding privileges may be assigned in lieu of or in addition to the consequences outlined in the matrix for that infraction.

The principal is the highest level of appeal for a suspension of 10 days or less.
