

# ***Summer Work 10th Grade***

**completed after 9th grade**

## **Spreadsheet**

- Include date, time and hours worked
- Explain what you did on this day
- Provide evidence of each thing you accomplish
- Record all work (DAILY) that you have completed / learned in your notebook/spreadsheet
- Notes on protocols, design, etc (*if applicable*)

## **Topic of Interest (Reading & Writing)**

- 10 Journal Articles related to gap in research
- Read and annotate these articles

## **Summer Class Sessions**

- There will be 3 video sessions for class that you must watch by the following dates:
  - July 15th
  - July 29th
  - August 12th
- Each video will guide you through the next step of your research process.

*We understand that everyone has different schedules throughout the summer. However, these videos are designed to be watched at specific intervals throughout the summer. They will inform the next step of the process and build upon each other. If you cannot complete them by the due date posted, please let me know.*

## **Google Classroom**

\*You must monitor your *NEW* google classroom throughout the summer

**6i6qad3**
