

Sayreville War Memorial High School
Department of World Languages
Suzanne Capraro, Supervisor

Dear Students and Parents/Guardians,

We are excited to offer American Sign Language 1 as a course to fulfill the graduation requirement for world languages. In order to prepare students for the course, we ask that those enrolled for 2024-2025 spend some time this summer practicing foundational elements of ASL.

Please access the document linked here, which includes the ASL alphabet as well as some fingerspelling activities: [ASL Alphabet and Practice Exercises](#)*. Students should become familiar with the alphabet and regularly practice the activities during the summer.

Students may also view this video for a demonstration of the ASL alphabet: <https://www.youtube.com/watch?v=tkMg8g8vVUo>.

Any questions about the summer practice documents or ASL courses at Sayreville War Memorial High School may be directed to Ms. Suzanne Capraro, Supervisor, at suzanne.capraro@sayrevillek12.net or (732) 525-5252 x8126.
