

Week 1 of Summer Fun

Grade 2

Enjoy these optional learning activities this week!

ELA

Activity Description- Adjective Writing

Directions

- Choose an item in your house or in your yard. Set a timer for one minute. How many adjectives (describing words) can you come up with to describe that item? Can you write a silly story about the item using the adjectives.

Math

Activity Description- Create a menu

Directions

- *Menu: Create a menu of your 5 favorite foods. Give each item a 2 or 3 digit price. (Example - French Fries 55¢.) Take orders from family members by asking them to pick 2 or 3 items from the menu. Add up the prices of the items they*

Science

Activity Description- Nature Walk

Directions

- Go outside and take a nature walk.
- As you walk, make a record of things you see, hear, and smell.
- Then when you finish your walk, write down those things by naming them, describing them (use your sense words), and drawing a picture of them.

**Social
Studies**

Activity Description- ME on the Map

Directions

- We all have our own special place on the map. Illustrate and label your unique place. Start by drawing a picture of

yourself. Be sure to include your street, city, state, country, continent, and planet. See the picture as an example.
