

Week 1 of Summer Fun

Grade 3

Enjoy these optional learning activities this week!

ELA

Activity Description- Family Fun Times

Directions

- Listen to [The Relatives Came](#). Write a poem about a visit you have had with your family. Your poem can be descriptive, funny or serious, or tell a story.
- Share the poem with your family.

Math

Activity Description- Fractions Fun!

Directions

- Do the Unit Fractions Word Problems activity on IXL (HM 7)
- Play Pizza Pandas [Fractions Game](#)

Social Studies

Activity Description- Draw your family tree.

Directions

- Research who is in your family. Start with your parents and grandparents.
- Create a family tree. You can choose the style you prefer from the options below.

shutterstock

Science

Activity Description- Summer Solstice

Directions

- Click on the link below
- Watch to learn about the first day of summer.

Link: [Summer Solstice](#)

- Log in to Clever.
- Click on the Learning A-Z icon.
- In the search bar type: "How Glooskap Found Summer. "
- Select Level Q: English version
- Read this Native American legend about how Summer defeated the giant Winter.

Additional Fun Activity: Create a "Bucket List" of things you want to do this summer.

- **Materials:** Art paper, pencils, crayons or markers, scissors, pencil
- **Directions:** Draw a LARGE bucket filling up the entire page. Write a list of summer activities you would love to do. Write your list inside the "bucket" using different colored crayons/markers. Add fun details and pictures to your list. Using scissors, cut out your "bucket" and hang up. Check off as you complete your list over the summer
