All candidates or committees in the State General Election must file the Campaign Financial Report Certification of Filing. This report is due:

-------------------	----------------------

No certificates of election will be issued without this report being filed.

Additional Campaign Financial Reporting

The candidate's or committee's initial report must be filed within **14 days** after the candidate or committee **receives contributions or makes disbursements of more than \$750** (\$750 must be either collected or spent to begin this reporting process) in a calendar year.

Then, these reporting dates apply after the *initial report* is filed:

August 2, 2024	10 days before Primary
October 25, 2024	10 days before General
December 5, 2024	30 days after General
By January 31 of each year afterwards (as long as account is open)	

Filings are submitted to the filing officer for that candidate's contest. For example, Blue Earth County Elections Office for County contests and City of Mankato contests.
