### Online Lunch Payment & Monitoring: The Titan Family Portal Website & App

- ◆ Visit <https://lingconnect.com>
- ◆ Add funds (\$2.85/credit card, \$1.85/electronic check convenience fee)
- ◆ Complete a Free & Reduced Application (one per family annually)
- ◆ Set up low balance alerts and auto payments
- ◆ Monitor purchases, Set Limits & Transfer Funds

### What Makes a Lunch?

Select 3—5  
Different Components

\*All Entrees include a protein and grain

*All lunches must include a fruit or veggie!*

All lunches are served with all five components: fruit, vegetable, protein, grain and milk. While we encourage students to take a full tray, we understand that sometimes students may not want all items offered. Students can decline up to two components as long as their tray contains a fruit or a vegetable.

Studies show that students eat better when given a choice what is on their tray and this practice also reduces food waste!

### Start Your Day Off Right!

Did you know that we serve breakfast in all K-12 schools before the school day begins? Breakfast includes an entrée (grain and protein or two grains), choice of fruit and milk.

Check with your building for meal times.

### Nutrislice

Use our interactive app and website to review breakfast and lunch menus, allergen information and nutritional facts for all menu items served. You can also rank items and provide feedback as well as see pictures of menu items.

**Chicken & Noodles**  
A hearty and cozy, made in house, chicken & noodles. A great dish to warm you up during a blustery fall or winter day.
