Director's note

I am happy to be returning to Sycamore High School as the performing arts director. It is on this very stage that at the age of 15, I met the love of my life, my husband Scott Gulke. Being a part of this program is like coming home.

The production team met and chose SpongeBob for our Fall Musical. It was packed full of fun characters and fun songs. It is a show that celebrates friendship, cooperation, and the power of unity and inclusion. I am so proud of all the students in the cast, crew and pit. All their hard work has definitely paid off. Now sit back and prepare to have "The Best Day Ever."
