Special thanks to the Sycamore Music Boosters for underwriting this evening's production!

Part of the mission of the Sycamore Music Boosters is to enrich the music education of all Sycamore music students from Kindergarten through 12th grade. Their efforts have helped with funding items such as instrument purchases, scholarships, music festival participation, and donations to the annual middle school musical.

Completely run by volunteers, they are currently looking for more people to become involved. Please consider joining this wonderful organization and helping to support the talented students in the music program. The Sycamore Music Boosters meet every third Thursday of the month from August through May, and new members are always welcome!

More information about the Sycamore Music Boosters can be found on their website, and please follow them on Facebook and Instagram for all the latest updates.
