Special thanks to the Sycamore Music Boosters for underwriting this evening's production!

Part of their mission is to enrich the music education of all Sycamore music students from Kindergarten through 12th grade, and their fundraising efforts have helped with items such as instrument purchases, scholarships, funding music festival participation, and donations to the middle school musical.

Completely run by volunteers, they are currently looking for more people to become involved. Please consider joining this wonderful organization and helping to support the talented students in the music program.

More information about the Sycamore Music Boosters can be found on their website, and follow them on Facebook and Instagram.
