June is Idaho School Board Appreciation: Local PCSD 25 Board Members Recognized

[Read the media release](#)

The month of June in Idaho is School Board Recognition Month. The annual event provides an opportunity for local schools and communities to honor Idaho's more than 800 school board members for their dedication to public schools and our children.

"In the past year, we have welcomed two new Trustees. These individuals join a Board committed to providing our community's children with a solid education is the most important investment we can make," said Dr. Douglas Howell, Superintendent. "We are proud of the many accomplishments our district has achieved under the leadership of the school board. School Board Recognition Month is the time to say thank you and celebrate our resilient and committed board members."
