Guest Teacher Requirements

Per State of Michigan law, the below requirement outline how to become a guest teacher:

- Anyone working in a K-12 setting must pass a fingerprinting criminal history background check per Michigan Compiled Laws 380.1230. The cost to the employee is normally between \$60 - \$75, however these prints will not expire as long as you continue to work within a Michigan public school each semester.
- Submission of official undergraduate transcript from a four year accredited college or university showing 90+ semester credit hours and a minimum of a 2.00 GPA*.
- The official undergraduate credits must be on one transcript.
- Michigan law also requires that all guest teachers have a permit or a Michigan Teaching Certificate. The school district will request a teaching permit on your behalf each year; the cost to the uncertified guest teacher is a \$45 annual fee*.
- Upon earning a Michigan Teaching Certificate, for those pursuing an education degree, you can submit a copy to EDUStaff to forgo future permit fees and be eligible for a pay increase in the school districts who have elected to pay more for certified teachers. Also, you will then be eligible for long term teaching assignments as they become available.

**No educational requirements or permits are required to become a classroom aide or paraprofessional; this is also another great way to get in front of a future potential employer, the school district.*
