

Greetings!

We are excited to announce that we are now offering the convenience of online registration through Arbiter Registration, formerly known as FamilyID, which is now part of the ArbiterSports ([www.arbitersports.com](http://www.arbitersports.com)) family!

Arbiter Registration is a secure registration platform that provides you with an easy, user-friendly way to register for our programs. It helps us to be more administratively efficient and environmentally responsible. When you register through Arbiter Registration, the system keeps track of your information in your profile. **You enter your information only once for each family member for multiple uses and multiple programs.**
