LT.RE.OT.1

DEFINITION OF DISABILITY

You are Disabled if you meet the following definitions during the periods they apply:

- A. Own Occupation Definition Of Disability.
 - B. Social Security Qualified Definition Of Disability.
- A. Own Occupation Definition Of Disability

During the Benefit Waiting Period and the Own Occupation Period you are required to be Disabled only from your Own Occupation. You are Disabled from your Own Occupation if, as a result of Physical Disease, Injury, Pregnancy or Mental Disorder:

1. You are unable to perform with reasonable continuity the Material Duties of your Own Occupation; and
2. You are unable to work in your Own Occupation and earn at least 20% of your Indexed Predisability Earnings.

Note: You are not Disabled merely because your right to perform your Own Occupation is restricted, including a restriction or loss of license.

During the Own Occupation Period you may work in another occupation while you meet the Own Occupation Definition Of Disability. However, you will no longer be Disabled when your Work Earnings from another occupation meet or exceed 20% of your Indexed Predisability Earnings. Your Work Earnings may be Deductible Income. See **Return To Work Provisions** and **Deductible Income**.

Own Occupation means the occupation you are regularly performing for your Employer when Disability begins. We will look at your occupation as it is normally performed in the national economy, instead of how the work tasks are performed for a specific employer or at a specific location. In no event will working a specific number of hours per week be considered part of your Own Occupation.

Material Duties means the usual duties you perform in your Own Occupation that cannot be reasonably modified or omitted. In no event will working a specific number of hours per week be considered a Material Duty.

B. Social Security Qualified Definition Of Disability

During the Social Security Qualified Period you are required to satisfy the Social Security Disability (SSD) Requirement as a result of the same cause or causes.

You satisfy the SSD Requirement if you meet one of the following requirements:

1. You are entitled to and are receiving Social Security disability benefits.
2. You are entitled to receive Social Security disability benefits, but you are receiving Social Security early retirement benefits, or widow's or widower's benefits instead.
3. You are entitled to receive Social Security disability benefits but such benefits are not payable because they are being reduced by other income you receive.
4. You are unable to engage in any Substantial Gainful Activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months.

Substantial Gainful Activity means activity of a nature generally performed as work for remuneration or profit, involving the performance of significant physical or mental duties, or a combination of the two. Work will be considered substantial even if it is less demanding and less responsible than your former work, and will be considered gainful even if it pays less than your former work.

However, if you do not satisfy the SSD Requirement on the date the Social Security Qualified Period begins solely because your entitlement to Social Security disability benefits has not been determined, you will nonetheless be considered Disabled on that date, if you otherwise continue to meet the Social Security Qualified Definition Of Disability, and you meet one of the following requirements:

1. Within the next 24 months, the Social Security Administration determines that you are entitled to Social Security disability benefits and the award of Social Security disability benefits is retroactive to a date not later than the beginning of the Social Security Qualified Period. No LTD Benefits will be paid until you give us satisfactory proof within 30 days after the Social Security Administration makes its determination.
2. You are in good faith participating and continue to participate in a rehabilitation program approved by us.
3. We determine, in our sole discretion, that you are likely to be awarded Social Security disability benefits within the next 24 months. However, you will no longer be considered Disabled if you are denied Social Security disability benefits during such period or have not been awarded such benefits by the end of the period.

Your Own Occupation Period and Social Security Qualified Period are shown in the **Coverage Features**.

(OWN_SSQP_NO 40) LT.DD.OT.1X

RETURN TO WORK PROVISIONS

Work Earnings means your gross monthly earnings from work you perform while Disabled. Work Earnings includes:

1. Earnings from any employer or self-employment for which you become employed on or after the date of your Disability.
2. Any increases in earnings from employment from any employer or self-employment in which you were engaged prior to the date of your Disability.
3. Any vacation pay, annual or personal leave pay, substitute differential pay, or other salary continuation earned or accrued while working.

Earnings from work you perform will be included in Work Earnings when you have the right to receive them. If you are paid in a lump sum or on a basis other than monthly, we will prorate your Work Earnings over the period of time to which they apply. If no period of time is stated, we will use a reasonable one.

In determining your Work Earnings we:

1. Will use the financial accounting method you use for income tax purposes, if you use that method on a consistent basis.
2. Will not be limited to the taxable income you report to the Internal Revenue Service.
3. May ignore expenses under section 179 of the IRC as a deduction from your gross earnings.
4. May ignore depreciation as a deduction from your gross earnings.
5. May adjust the financial information you give us in order to clearly reflect your Work Earnings.

If we determine that your earnings vary substantially from month to month, we may determine your Work Earnings by averaging your earnings over the most recent three-month period.

LT.RW.OT.1X

REASONABLE ACCOMMODATION EXPENSE BENEFIT

If you return to work in any occupation for any employer, not including self-employment, as a result of a reasonable accommodation made by such employer, we will pay that employer a Reasonable Accommodation Expense Benefit of up to \$25,000, but not to exceed the expenses incurred.

The Reasonable Accommodation Expense Benefit is payable only if the reasonable accommodation is approved by us in writing prior to its implementation.

LT.RA.OT.1

REHABILITATION PLAN PROVISION

While you are Disabled you may qualify to participate in a Rehabilitation Plan. Rehabilitation Plan means a written plan, program or course of vocational training or education that is intended to prepare you to return to work.

To participate in a Rehabilitation Plan you must apply on our forms or in a letter to us. The terms, conditions and objectives of the plan must be accepted by you and approved by us in advance. We have the sole discretion to approve your Rehabilitation Plan.

While you are participating in an approved Rehabilitation Plan, your LTD Benefit will be increased by 10% of your Predisability Earnings. Your LTD Benefit may not exceed the Maximum LTD Benefit shown in the **Coverage Features** as a result of this increase.

An approved Rehabilitation Plan may include our payment of some or all of the expenses you incur in connection with the plan, including:

- a. Training and education expenses.
- b. Family care expenses.
- c. Job-related expenses.
- d. Job search expenses.

(WITH REHAB INC BFT) LT.RH.OT.1

TEMPORARY RECOVERY

You may temporarily recover from your Disability and then become Disabled again from the same cause or causes without having to serve a new Benefit Waiting Period. Temporary Recovery means you cease to be Disabled for no longer than the applicable Allowable Period. See **Definition Of Disability**.

A. Allowable Periods

1. During the Benefit Waiting Period: a total of 10 days of recovery.
2. During the Maximum Benefit Period: 180 days for each period of recovery.

B. Effect Of Temporary Recovery

If your Temporary Recovery does not exceed the Allowable Periods, the following will apply.

1. The Annual Predisability Earnings used to determine your LTD Benefit will not change.
2. The period of Temporary Recovery will not count toward your Benefit Waiting Period, your Maximum Benefit Period or your Own Occupation Period.
3. No LTD Benefits will be payable for the period of Temporary Recovery.
4. No LTD Benefits will be payable after benefits become payable to you under any other disability insurance plan under which you become insured during your period of Temporary Recovery.
5. Except as stated above, the provisions of the Group Policy will be applied as if there had been no interruption of your Disability.

LT.TR.OT.1X

WHEN LTD BENEFITS END

Your LTD Benefits end automatically on the earliest of:

1. The date you are no longer Disabled. However, if you cease to be Disabled while you are scheduled to be away from work because of a school break or vacation, LTD Benefits may continue for the remainder of the school break or vacation provided you have been continuously Disabled for at least 12 months longer than the Benefit Waiting Period.
2. The date your Maximum Benefit Period ends.
3. The date you die.
4. The date benefits become payable under any other LTD plan under which you become insured through employment during a period of Temporary Recovery.
5. The date you fail to provide proof of continued Disability and entitlement to LTD Benefits.

LT.BE.OT.1X

PREDISABILITY EARNINGS

Annual Predisability Earnings means your annual salary from the Employer. Your Annual Predisability Earnings will be based on the terms of your employment contract with the Employer in effect for the contract year in which you become Disabled. If you are not under an employment contract with the Employer, Annual Predisability Earnings means your annual compensation from the Employer in effect on your last full day of Active Work. Annual Predisability Earnings includes overtime pay and shift differential, but does not include any additional compensation, such as weekend or summer school work compensation, Extra Duty Pay, bonuses, or district-funded fringe benefits.

Daily Predisability Earnings means your Annual Predisability Earnings, divided by the number of your Regular Days Of Required Attendance for the contract year in which you become Disabled.

Monthly Predisability Earnings means your Annual Predisability Earnings, divided by 12. Your Monthly Predisability Earnings will be based on your earnings in effect on your last full day of Active Work.

The Annual Predisability Earnings and the number of Regular Days Of Required Attendance will not change after your date of Disability.

Annual Predisability Earnings will be adjusted retroactively, upon payment of premium, in the event the monthly rate of earnings for a class of employees is changed as a result of collective bargaining or the Employer's decision.

Extra Duty Pay includes income from coaching, after school programs, summer school programs, school advising or mentoring, and other extra duties as defined in your bargaining agreement with your Employer. Extra Duty Pay does not include any income included in your Annual Predisability Earnings or any other compensation, such as overtime pay, bonuses or district-funded fringe benefits.

(REG NO COM_NO STOCK) LT.PD.OT.1X

DEDUCTIBLE INCOME

Subject to **Exceptions To Deductible Income**, Deductible Income means:

1. Sick pay, annual or personal leave pay, severance pay, or other salary continuation, including donated amounts, (but not vacation pay) payable to you by your Employer.
2. Your Work Earnings, as described in the **Return To Work Provisions**.
3. Any amount you receive or are eligible to receive because of your disability, including amounts for partial or total disability, whether permanent, temporary, or vocational, under any of the following:
 - a. A workers' compensation law;
 - b. The Jones Act;
 - c. Maritime Doctrine of Maintenance, Wages, or Cure;
 - d. Longshoremen's and Harbor Worker's Act; or
 - e. Any similar act or law.
4. Any amount you, your spouse, or your child under age 18 receive or are eligible to receive because of your disability under:
 - a. The Federal Social Security Act;
 - b. The Canada Pension Plan;
 - c. The Quebec Pension Plan;
 - d. The Railroad Retirement Act; or
 - e. Any similar plan or act.

The disability benefit is Deductible Income, regardless of whether you receive benefits for retirement or disability.

Full offset: Both the primary benefit (the benefit awarded to you) and dependents benefit are Deductible Income.

Benefits your spouse or a child receives or are eligible to receive because of your disability are Deductible Income regardless of marital status, custody, or place of residence. The term "child" has the meaning given in the applicable plan or act.

5. Any amount you receive or are eligible to receive because of your disability under any state disability income benefit law or similar law.
6. Any amount you receive or are eligible to receive because of your disability under another group insurance coverage.
7. Any disability or retirement benefits you receive or are eligible to receive under your Employer's retirement plan, including a public employee retirement system, a state teacher retirement system, and a plan arranged and maintained by a union or employee association for the benefit of its members. The disability benefit is Deductible Income, regardless of whether you receive benefits for retirement, separation, or disability. You and your Employer's contributions will be considered as distributed simultaneously throughout your lifetime, regardless of how funds are distributed from the retirement plan.

If any of these plans has two or more payment options, the option which comes closest to providing you a monthly income for life with no survivors benefit will be Deductible Income, even if you choose a different option.

8. Any earnings or compensation included in Annual Predisability Earnings which you receive or are eligible to receive while LTD Benefits are payable.
9. Any amount you receive or are eligible to receive under any unemployment compensation law or similar act or law.
10. Any amount you receive or are eligible to receive from or on behalf of a third party because of your disability, whether by judgement, settlement or other method. If you notify us before filing suit or settling your claim against such third party, the amount used as Deductible Income will be reduced by a pro rata share of your costs of recovery, including reasonable attorney fees.
11. Any amount you receive by compromise, settlement, or other method as a result of a claim for any of the above, whether disputed or undisputed.

(NO OTHR OFFST_PUB_WITH 3RD) LT.DI.OT.1X

EXCEPTIONS TO DEDUCTIBLE INCOME

Deductible Income does not include:

1. Any cost of living increase in any Deductible Income other than Work Earnings, if the increase becomes effective while you are Disabled and while you are eligible for the Deductible Income.
2. Reimbursement for hospital, medical, or surgical expense.
3. Reasonable attorneys fees incurred in connection with a claim for Deductible Income.
4. Benefits from any individual disability insurance policy.
5. Early retirement benefits under the Federal Social Security Act which are not actually received.

RULES FOR DEDUCTIBLE INCOME

A. Rules Used To Determine Monthly Equivalents Of Deductible Income

Each month we will determine your LTD Benefit using the Deductible Income for the same monthly period, even if you actually receive the Deductible Income in another month.

Deductible Income for each month will be calculated as follows:

1. With respect to disability and retirement benefits under your Employer's retirement plan or the Federal Social Security Act, or similar plan, act or law, which are Deductible Income during the Own Occupation Period, your LTD Benefit will be reduced by the following:
 - a. Determine the monthly amount of the Deductible Income and multiply that amount by 12.
 - b. Divide the amount in a. above by the annual number of your Regular Days Of Required Attendance.
 - c. Multiply the amount in b. above by the number of Regular Days Of Required Attendance applicable to that calendar month.
2. With respect to all other Deductible Income, your LTD Benefit will be reduced each month by the amount of the Deductible Income for that month.

If you are paid Deductible Income in a lump sum or by a method other than monthly, we will determine your LTD Benefit using a prorated amount. We will use the period of time to which the Deductible Income applies. If no period of time is stated, we will use a reasonable one.

B. Your Duty To Pursue Deductible Income

You must pursue Deductible Income for which you may be eligible. We may ask for written documentation of your pursuit of Deductible Income. You must provide it within 60 days after we mail you our request. Otherwise, we may reduce your LTD Benefits by the amount we estimate you would be eligible to receive upon proper pursuit of the Deductible Income.

C. Pending Deductible Income

We will not deduct pending Deductible Income until it becomes payable. You must notify us of the amount of the Deductible Income when it is approved. You must repay us for the resulting overpayment of your claim.

D. Overpayment Of Claim

We will notify you of the amount of any overpayment of your claim under any group disability insurance policy issued by us. You must immediately repay us. You will not receive any LTD Benefits until we have been repaid in full. In the meantime, any LTD Benefits paid will be applied to reduce the amount of the overpayment. We may charge you interest at the legal rate for any overpayment which is not repaid within 30 days after we first mail you notice of the amount of the overpayment.

LT.RU.OT.1X

SUBROGATION

If LTD Benefits are paid or payable to you under the Group Policy as the result of any act or omission of a third party, we will be subrogated to all rights of recovery you may have in respect to such act or omission. You must execute and

deliver to us such instruments and papers as may be required and do whatever else is needed to secure such rights. You must avoid doing anything that would prejudice our rights of subrogation.

If you notify us before filing suit or settling your claim against such third party, the amount to which we are subrogated will be reduced by a pro rata share of your costs of recovery, including reasonable attorney fees. If suit or action is filed, we may record a notice of payments of LTD Benefits, and such notice shall constitute a lien on any judgement recovered.

If you or your legal representative fail to bring suit or action promptly against such third party, we may institute such suit or action in our name or in your name. We are entitled to retain from any judgement recovered the amount of LTD Benefits paid or to be paid to you or on your behalf, together with our costs of recovery, including attorney fees. The remainder of such recovery, if any, shall be paid to you or as the court may direct.

4. Each following COLA Factor is equal to 1.00 plus the rate of increase (or minus the rate of decrease) in the CPI-U for the 12 month period ending on the May 31 of the current calendar year, times the previous COLA Factor.

C. Integration With Increases In Deductible Income

If your Social Security Disability Insurance benefit or Wisconsin Retirement System disability benefit is increased, your cost of living adjustment will be reduced by the amount of any such increase. However, in no event will application of a cost of living adjustment result in a lower LTD Benefit than the LTD Benefit paid to you prior to the date the SSDI cost of living adjustment was applied.

No misrepresentation will be used to reduce or deny a claim or contest the validity of insurance unless:

- 1. The insurance would not have been approved if we had known the truth; and
- 2. We have given you or any other person claiming benefits a copy of the signed written instrument which contains the misrepresentation.

After insurance has been in effect for two years during the lifetime of the insured, we will not use a misrepresentation to reduce or deny the claim, unless it was a fraudulent misrepresentation.

C. Misstatement Of Age

If a person's age has been misstated, we will make an equitable adjustment of premiums, benefits, or both. The adjustment will be based on:

2. The difference between the premiums paid and the premiums which would have been paid if the age had been correctly stated.

LT.CE.OT.1

The Policyholder, your Employer, and their respective employees or representatives have no right or authority to change or amend the Group Policy or to waive any of its terms or provisions without our signed written approval.

We may change the Group Policy in whole or in part when any change or clarification in law or governmental regulation affects our obligations under the Group Policy, or with the Policyholder's consent.
