

PowerSchool

One of the most important tools for communication is PowerSchool. This program is the best way for students and families to stay updated on grades. A link to PowerSchool can be found on the district website OR you can download the app onto your smartphone. Students can use their Chromebook ID and password to login. Please contact the main office if you need help setting up a guardian PowerSchool account.

After School Help

Teachers are available various days after school for extra help and a late bus is offered to those that live in-district. We hope students will take advantage of this great learning opportunity, when needed!

Expectations

We believe in MAGIC - Making A Greater Individual Commitment. As leaders of the Nessacus Community, we hold our 8th graders to high standards. In 8th grade, MAGIC means you:

- Are ready to learn
- Use time wisely
- Listen and participate
- Advocate for your learning
- Respect yourself and others

Welcome to 8th Grade

Have a great summer!
